FOR IMMEDIATE RELEASE

Advanced secured new contracts totaling \$\$11.8 million

SINGAPORE - 12 August 2015 - Advanced Holdings Ltd. ("Advanced" or the "Group"), a global supplier of

proprietary process equipment, clean energy solutions and related technologies, today announced that it

has secured several new contracts in the Petrochemicals & Chemicals sector totaling approximately \$\$11.8

million.

These new contracts include the supply of equipment to subsidiaries of two US-based Fortune 500

companies. These contracts are slated for delivery in FY2016.

Dr Kar Wong, Managing Director of the Group, said, "In view of the climate, we are heartened by our latest

contract wins in the Petrochemicals & Chemicals segment. This points to the established track record that

Advanced commands in the market and the confidence that our customers continue to have in us.

Notwithstanding challenges in the marketplace, we will continue to work hard to convert business leads into

sales growth for our Group."

About Advanced Holdings Ltd.

Founded in 1993, SGX Mainboard-listed Advanced is a specialist company primarily focused on the design and supply of Process Equipment and Technologies to the Oil & Gas and Petrochemicals & Chemicals industries; the design and supply of Clean Energy and the provision of Environmental Technologies.
