PROFIT GUIDANCE IN RELATION TO FIRST QUARTER FINANCIAL RESULTS FOR THE THREE MONTHS ENDED 31 JULY 2025

The Board of Directors (the “**Board**”) of Renaissance United Limited (the “**Company**”) wishes to announce that, based on a preliminary review of the draft unaudited consolidated financial results for the first quarter (“**1QFY26**”) period ended 31 July 2025, the Company and its subsidiaries (collectively, the “**Group**”) are expected to report a net loss for the period. The loss is predominately due to the Group's China gas distribution business which continues to incur margin pressure and less installation revenue brought about by the downturn in new construction projects. The Group's Electronics and Trading segment revenue was also lower due to weaker demand by customers in the People's Republic of China.

The Group is in the process of preparing and finalising its first quarter financial results and further details will be disclosed in its forthcoming announcement which will be made on or before 14 September 2025.

In the meantime, the Board wishes to advise shareholders and investors to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants, or other professional advisers.
