# **Company Overview**

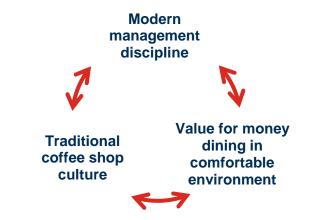

### One of Singapore's Most Established and Largest Operators and Managers of Food Courts and Coffee Shops

- 16 years of F&B experience: With a history dating back to 2002, Koufu has established a reputation for serving quality food at affordable prices:
  - Connecting with our customers through efficient and friendly services
  - Brand equity amongst the younger population
- Our philosophy:

- Our Group's mission is to provide quality food and services to our customers, while staying true to our deep roots in the Singaporean food culture
- We have since expanded into Macau with the establishment of a *Koufu* food court in Sands Cotai Central in 2012

By focusing on different market segments with different price ranges, we are able to grow our customer base, expand our market share and capture business opportunities in each market segment

## Holistic Approach to Improving Productivity Using Technology as a Key Enabler

In line with the Singapore government's emphasis on improving productivity through innovation as well as consumer experience, we have implemented:

More than 40 smart tray return robots deployed to more than 16 of our food courts and coffee shops

Self-ordering and payment kiosks at *Koufu* food court at Fusionopolis and *Happy Hawkers* coffee shop at Block 872C Tampines Street 86

RFID tray return system, integrated with the centralised dishwashing area and selfpayment kiosks at our Jurong West Hawker Centre

Mobile ordering applications at selected *Koufu*, *Cookhouse*, *Happy Hawkers* and F&B Outlets. Intend to implement at most of our F&B outlets in the future

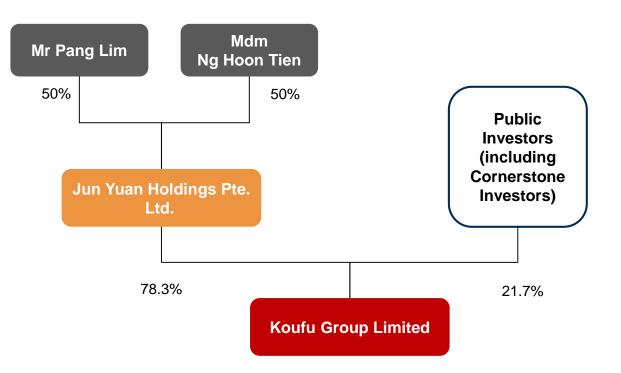

NETS unified payment terminals implemented across 18 food courts and plan to roll out to all food courts by Q1 2019

# Revenue

10

 Revenue growth was boosted by a 4.7% increase in revenue for the outlet & mall management segment and a 0.7% growth in F&B retail segment revenue

# **Revenue Breakdown**

#### By Business Segments

(S\$'m)

### **Outlet & Mall Management:**

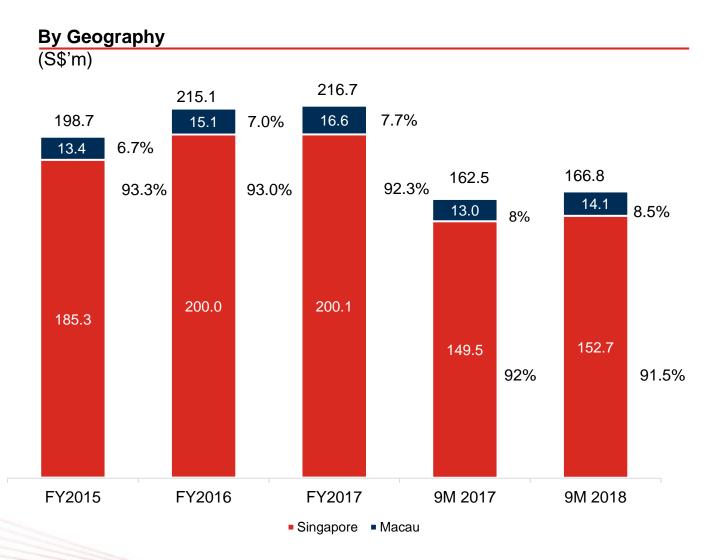

- Revenue growth lifted by three new food courts opened in 9M 2018 – Fusionopolis, Oasis Terrace and Sengkang General Hospital
- Offset partially by closure of three food courts and coffee shop and temporary closure of MBS food court for progressive refurbishment works that took four months to complete

### F&B Retail:

- Revenue growth lifted by three new F&B stalls opened in 9M 2018 – Fusionopolis, Oasis Terrace and Sengkang General Hospital
- Offset partially by closure of two QSRs and seven F&B stalls in 3Q 2018, and temporary closure of MBS food court for progressive refurbishment works that took four months to complete

# **Revenue Breakdown**

- Revenue contribution from Macau increased by \$1.1m while revenue contribution from Singapore increased by \$3.2m in 9M 2018
- Revenue contribution from Macau correspondingly increased 0.5% in 9M 2018

- Excluding one-off IPO expenses and finance income from convertible notes amounting to a total of S\$1.6 million, the Group's adjusted NPAT declined 2.1% to S\$18.3 million
- Mainly due to higher rental costs incurred during the fitout period for the three new food courts opened in 2018, compared to costs incurred for only one food court and one coffee shop recorded in 2017

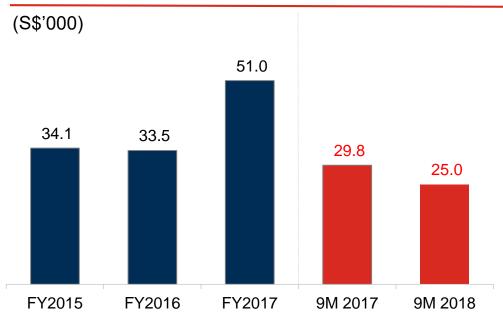

<sup>1</sup> Adjusted NPAT is derived from the Group's Profit after income tax, after excluding the one-off IPO expenses of S\$1.3 million (Q3 2018 and 9M 2018) and finance income from convertible loan notes of S\$0.3 million (Q3 2017) and S\$0.9 million (9M 2017), reflecting the true operating performance of the Group

Expand Our Presence with New F&B Outlets in Singapore and Overseas

- Expand in Singapore with a focus on hospitals, commercial malls, tertiary educational institutions and new housing estates. Secured 4 new locations for foodcourts.
- Expand overseas with an initial focus in Macau, 1 foodcourt secured and opening in 1Q 2019 at Macau University. In the midst of finalizing 1 more foodcourt in Macau.
- Fourth *Elemen* outlet opening in first quarter of 2019 at Paya Lebar Quarters as TOP for the mall has been delayed. Bring *Elemen* to the PRC, Malaysia, Indonesia and Australia

Establish an Integrated Facility to Drive and Support Our Growth, Including a Larger Central Kitchen and a Centralised Dishwashing Facility

- Expand our central procurement, preparation, processing and distribution functions
- Better support all our F&B Outlets and self-operated F&B stalls and cater for future business expansion
- Improve productivity and operational efficiency

#### GFA of 20,000 sqm

More than 5 times larger than our current central kitchens and corporate headquarters S\$40.0 Million Estimated total construction including renovation cost, capital expenditure for equipment and machinery (S\$3.9m land premium paid)

Commenced construction in 4Q 2018

Expected completion in 1H 2020

# **Proposed Integrated Facility**

Larger Central Kitchen	<ul> <li>Reduce the food preparation and processes previously done on-site</li> <li>Enjoy greater economics of scale, improve production techniques, ensure better consistency</li> <li>Increase production, including through our potential joint venture businesses</li> <li>Expand central procurement function; bulk purchase of ingredients and improve purchasing and negotiation power with suppliers</li> </ul>			
Centralised Dishwashing Facility	<ul> <li>Automated facility to service our F&amp;B Outlets located in the northern and western areas of Singapore</li> </ul>			
Training Centre	<ul><li>Provide training for employees</li><li>Establish and align quality standards</li></ul>			
Research & Development Centre	<ul> <li>Develop new F&amp;B products and recipes. Research on food preparation process for increased productivity and cost efficiency</li> <li>Conduct market research and trend analysis</li> <li>Ensure greater consistency in our food quality with higher nutritional value</li> </ul>			

 May sublet unutilised space to third-party stall operators for their production needs and provide infrastructure support to improve their operational efficiency. Enable such stall operators to expand their operations and increase the number of their F&B stalls in our network

# **Our Business Strategies and Future Plans**

Leverage on Our Network to Establish Joint Ventures, Strategic Alliances, Acquisitions or Investments in Complementary Business Segments and Markets

- Gain access to new markets, strengthen our market position and/or develop our supply chain through potential vertical integration with key suppliers, manufacturers and/or other service providers
- For F&B retail business:
  - Our Group may contribute management expertise, infrastructure support and priority for F&B stalls in our food courts and coffee shops
  - Potential partners provide manpower, recipes and innovative cooking techniques
- Mutually beneficial arrangement to grow our pool of potential stall operators, optimise mix and increase F&B menu offerings, with additional sources of revenue for our Group

Leverage on Our Proposed Integrated Facility as a Value Proposition to Potential Partners

 <u>Expansion of Our Bakery, Confectionary, Tim Sum</u> and Hot Kitchen Food Production Business

- Relocate to our proposed integrated facility subsequently
- Leverage on specialist expertise and potentially expand our supply of food products to third parties and gain access to new markets both locally and overseas

#### <u>Centralised Dishwashing Facility</u>

- Partner with a dishwashing service provider
- Transfer business expertise and existing business contracts to the joint venture
- Deployment of more sophisticated dishwashing equipment potentially resulting in improved margins

# **Our Business Strategies and Future Plans**

26

Improve Our Productivity by Continuing to Innovate and Automate

- Improve design and features of the smart tray return robots and increase deployment
- Automate the traditional coffee brewing process to ensure consistency in taste and quality and potentially deploy overseas
- Progressively roll out the mobile ordering application to further improve service delivery and operational efficiency

### Expand the Provision of Online Food Ordering and Delivery Services

- Growing demand for online food ordering and delivery services due to the changing lifestyles and convenience
- A channel for F&B Outlets and stall operators to reach out to a wider customer base and generate additional sales revenue
- Collaborated with third party online food ordering and delivery service providers to make available a selection of F&B products from certain F&B Outlets
- To roll out this service to most of our F&B Outlets by 2019
