Straits Times Index (STI) quarterly review

- One change to the constituents of the STI

FTSE Russell announces that there will be one change to the constituents of the Straits Times Index (STI), following the June 2025 quarterly review.

Entering STI	Exiting STI
Keppel DC REIT	Jardine Cycle & Carriage

A full list of STI constituents can be found on the [website](#).

The STI reserve list will see the following changes (in alphabetical order):

Entering STI Reserve List	Exiting STI Reserve List
NetLink NBN Trust	Keppel DC REIT

The STI Reserve List (in alphabetical order)

CapitaLand Ascott Trust
 ComfortDelGro
 Keppel REIT
 NetLink NBN Trust
 Suntec REIT

All changes from this review take effect at the start of business on 23 June 2025 and the next review will take place in September 2025.

The indexes are reviewed quarterly in accordance with the index ground rules and to facilitate the inclusion of eligible IPO stocks. The FTSE ST methodology ensures the indexes accurately represent the investable universe for benchmarking purposes and can be easily replicated as the basis of index-linked products.

FTSE Russell has partnered with SPH Media Trust, publisher of The Straits Times newspaper, and Singapore Exchange (SGX Group) to jointly calculate Singapore's main stock market benchmark. The STI is widely followed by investors as the benchmark for the Singapore market and is used as the basis

About FTSE Russell, an LSEG business:

FTSE Russell is a global index leader that provides innovative benchmarking, analytics and data solutions for investors worldwide. FTSE Russell calculates thousands of indexes that measure and benchmark markets and asset classes in more than 70 countries, covering 98% of the investable market globally.

FTSE Russell index expertise and products are used extensively by institutional and retail investors globally. Approximately \$18.1 trillion is benchmarked to FTSE Russell indexes. Leading asset owners, asset managers, ETF providers and investment banks choose FTSE Russell indexes to benchmark their investment performance and create ETFs, structured products and index-based derivatives.

A core set of universal principles guides FTSE Russell index design and management: a transparent rules-based methodology is informed by independent committees of leading market participants. FTSE Russell is focused on applying the highest industry standards in index design and governance and embraces the IOSCO Principles. FTSE Russell is also focused on index innovation and customer partnerships as it seeks to enhance the breadth, depth and reach of its offering.

FTSE Russell is wholly owned by London Stock Exchange Group.
