

CapitaLand Malaysia Trust 1Q 2022 Results Presentation

27 April 2022

Forward-Looking Statement

This presentation may contain forward-looking statements. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other developments or companies, shifts in customer demands, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training, property operating expenses), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management regarding future events. No representation or warranty express or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Neither CapitaLand Malaysia REIT Management Sdn. Bhd. (formerly known as CapitaLand Malaysia Mall REIT Management Sdn. Bhd.) (“Manager”) nor any of its affiliates, advisers or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising, whether directly or indirectly, from any use of, reliance on or distribution of this presentation or its contents or otherwise arising in connection with this presentation.

The past performance of CapitaLand Malaysia Trust (“CLMT”) is not indicative of future performance. The listing of the unit in CLMT (“Units”) on the Bursa Malaysia Securities Berhad (“Bursa Malaysia”) does not guarantee a liquid market for the Units. The value of the Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in the Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the Manager redeem or purchase their Units while the Units are listed on the Bursa Malaysia. It is intended that holders of Units may only deal in their Units through trading on the Bursa Malaysia.

This presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units. This presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units.

Portfolio Update

Retail Performance

Improvement in shoppers' confidence with easing of infection cases

Recovery levels for tenant sales psf and shopper traffic for CLMT portfolio vs average for 2019

1Q 2022 key highlights

- Shopper traffic and tenant sales psf declined slightly following the surge of infection cases in February
- As infection cases eased in March, shopper traffic had recorded month-on-month growth

Notes:
 • 2019 average shopper traffic and tenant sales per sq ft.

Occupancy Rate

- Portfolio occupancy rate is 79.5%
- Occupancy rate of outstation malls remains strong above 95%

Rental Reversion

Striking a balance between reversion and occupancy for a healthy portfolio occupancy

From 1 January to 31 March 2022¹

| Property | No. of New Leases/Renewals | Area (sq ft) | % of Total Net Lettable Area | Variance over preceding average rental ^{2, 3, 4} (%) |
|-----------------------|----------------------------|----------------|------------------------------|---|
| Gurney Plaza | 13 | 18,939 | 2.1 | -7.9 |
| East Coast Mall | 10 | 9,334 | 2.0 | 17.1 |
| Sungei Wang Plaza | 6 | 8,961 | 2.2 | -12.0 |

Supplemental Information

1Q 2022 Gross Revenue

Higher gross revenue y-o-y due to:

- Continued recovery in retail sentiment and the absence of movement restrictions in the current quarter as compared to the same period last year

1Q 2022 Property Operating Expenses

Lower property operating expenses y-o-y due to:

- Reversal of provision for doubtful debts as a result of improved receivables collection

Offset by:

- Higher consumption of utilities and absence of electricity discount; and
- Higher marketing expenses due to higher level of mall activities

1Q 2022 Net Property Income

Shopper and Vehicular Traffic

- Shopper traffic was 26.7% higher y-o-y
- Vehicular traffic was 14.1% higher y-o-y

Occupancy Rate

3 Damansara's occupancy rate has been impacted due to the exit of anchor supermarket
