PRESS RELEASE

Wee Hur Holdings Raises $358K for Children's Charities at Charity Golf Tournament

- Supporting Arc Children's Centre, Catch Them Young, and Campus Impact to strengthen care, education, and mentorship for vulnerable youth.
- Reflects Wee Hur's multigenerational commitment to nurturing Singapore's next generation through transparent and values-led giving.

Singapore, 13 November 2025 – In line with its 45th anniversary milestone, SGX Mainboard-listed Wee Hur Holdings Ltd ("**Wee Hur**" or the "**Group**") [伟合控股有限公司] held its inaugural Charity Golf Tournament at Tanah Merah Country Club, raising S$357,838 in net proceeds for three children-focused charities, a meaningful way to give back to the community and reaffirm the Group's enduring commitment to nurturing the next generation of Singapore.

The fundraising event was organised by the Wee Hur Foundation, established in 2024. The net proceeds have been successfully disbursed to the selected charities through Community Foundation of Singapore ("**CFS**"), reaffirming our commitment to transparency, accountability, and meaningful community impact. The Group extends its heartfelt appreciation to all donors and sponsors for their generous support of our charity golf event.

True to its values as a multigenerational, family-owned business, Wee Hur selected three charities devoted to improving the lives of children and youth:

- **Arc Children's Centre** – Singapore's first charity day care facility devoted to nurturing children fighting cancer and other serious childhood illnesses.
- **Catch Them Young** – Provides educational and experiential opportunities to students from low-income households.
- **Campus Impact** – Offers a safe physical space and mentorship to engage kids with nurturing adults, combining values-led education with focused academic support.

Together, these organisations share a mission to help children reach their full potential regardless of circumstance – aligning closely with the company's roots as a family business and its conviction that strong communities begin with supporting children and youth.

Mr Goh Yeow Lian, Executive Chairman & MD, Wee Hur Holdings, said:
"We are deeply appreciative of the generous support from our donors and sponsors, many of whom are our valued business partners, in making this charity event a success as we commemorate Wee Hur's 45th anniversary. We trust that the proceeds will contribute meaningfully towards enabling the selected charities to advance their missions and create a positive impact in the community."

Mr Paul Tan, CEO, CFS said:
"Wee Hur's anniversary initiative illustrates how values-driven corporate philanthropy can uplift communities. CFS is delighted to partner with the Group to ensure its generosity is channelled transparently and effectively. Through a demonstration of a "we-first" ethos, together, we can make a difference in the lives of vulnerable children and youth in Singapore."

Wee Hur's leadership sees this initiative as part of a long tradition of family and community ties. By focusing on children's welfare, the company underscores the values that have guided it since its founding: perseverance, mutual support and supporting our future generations.
