CORRIGENDUM AND ADDENDUM TO THE PRESS RELEASE DATED 14 SEPTEMBER 2020

The board of directors (the “**Board**”) of Trittech Group Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) refers to its press release of 14 September 2020 titled “Trittech makes its maiden foray into sanitiser and disinfectant industry” (“**Press Release**”).

In the Press Release, it was mentioned, *inter alia*, that “*The NEA (National Environmental Agency), SFA (Singapore Food Agency) and HSA (Health Sciences Authority) have in principle approved the manufacture and sales of the CWS product in Singapore as the ingredients are classified as non-hazardous and of food grade quality*”.

The Group wishes to clarify that the CWS product does not require any approval as no Hazardous Substances Licence/Permit from NEA is required for its import, export, local sale, local purchase, store and use, and hand sanitisers are not required to be approved by HSA. Therefore, it should not be implied that NEA, SFA or HSA authorised or endorsed the CWS product. The press release has been revised to reflect the aforementioned.
