**PROFIT GUIDANCE**

---

The Board of Directors ("Board") of Fuji Offset Plates Manufacturing Ltd (the "Company", together with all its subsidiaries, collectively the "Group") wishes to issue a profit guidance regarding the financial results of the Group for the full-year ended 31 December 2018 ("FY2018").

The Group is expected to report higher profits for FY2018 financial results primarily due to one-off gains on disposal of the Group's investment properties in Johor, Malaysia, coupled with higher share of results of an associate (net of tax), absence of loss recognised on de-recognition of Star City loan and net foreign exchange loss.

The Group is still in the process of finalising the results for FY2018 and will provide further details of the Group's performance when it releases its financial results planned for 27 February 2019.

Shareholders and investors are advised to exercise caution when dealing with the shares of the Company. Persons who are in doubt as to the action they should take should consult their stock broker, bank manager, solicitor, accountant or other professional advisors.
