Pursuant to Rule 1313(2) of the Listing Manual, the Board of Directors of the Company (the “**Board**”) wishes to provide an update on the financial situation of the Company and the Group for the second quarter ended 30 June 2023 (“**2Q2023**”).

The Group’s gross profit decreased by RMB 12.3 million from RMB 44.8 million in 2Q2022 to RMB 32.5 million in 2Q2023 as a result of the decrease in property sales and construction works.

For more details on the financial position of the Group, please refer to our announcement of the Group’s unaudited financial statements for 2Q2023 released on 14 August 2023.

Update on Future Direction and other Material Development

As a result of the Government’s policy to curb speculation, the property in Foshan average selling price has somewhat stabilised. Transaction volumes have decreased from 2.1 million sqm in 1Q2023 to 1.7 million sqm in 2Q2023. However, the property market in general is in a difficult phase as evidenced by the problems faced by some large established property development companies.

As at 30 June 2023, the Group has one development project in Malaysia and two (2) development projects in the People’s Republic of China (the “**PRC**”).

Update on efforts for satisfying Financial Exit Criteria

The Company will continue to focus on the development and growth of its strategic planning of the business. The Company will also continue to source for other business opportunities to expand and enhance the performance and net asset value of the Company.

The Company is aware of the deadlines given by SGX-ST to meet the Financial Exit Criteria. The Company will, in the meantime, provide shareholders with quarterly updates on its efforts and the progress made in meeting the Financial Exit Criteria. If any material development occurs between the quarterly updates, the Company will make immediate announcement of such development.
