DISPOSAL OF SUBSIDIARY ENGAGED IN THE OIL PALM PLANTATION BUSINESS IN THE SOUTH SUMATRA PROVINCE OF INDONESIA

The Board of Directors of First Resources Limited (the "**Company**", and together with its subsidiaries, the "**Group**") wishes to announce that, subsequent to the completion of the acquisition of PT Austindo Nusantara Jaya, Tbk ("**PT ANJ**") and the ensuing strategic decision to streamline the geographical footprint of its oil palm plantation business, the Group has disposed of its entire equity interest in PT Galempa Sejahtera Bersama ("**PT GSB**"), being an indirect subsidiary of PT ANJ, for cash proceeds of IDR 42.00 billion (approximately US\$2.5 million).

The sale consideration was arrived at after arm's length negotiations on a willing buyer and willing seller basis, taking into account the existing assets and liabilities of PT GSB on an as-is basis. After the sale, PT GSB has ceased to be a subsidiary of the Company.

The disposal of PT GSB is not expected to have any material impact on the consolidated net tangible assets and earnings per share of the Group for the current financial year ending 31 December 2026.

The above disposal constitutes a non-discloseable transaction under Chapter 10 of the Listing Manual of the Singapore Exchange Securities Trading Limited.

A copy of the information disclosure regarding the divestment has been published by PT ANJ on the website of the Indonesia Stock Exchange at the URL <https://www.idx.co.id/en/news/announcement> and is attached to this Announcement.
