

Livingstone Health takes a 30% strategic stake in The Metabolic Clinic, an Endocrine specialist clinic

Singapore, 28 April 2025 – Livingstone Health Holdings Limited (“**Livingstone Health**” and together with its subsidiaries, the “**Group**”) announced today that it would invest for a 30% strategic stake in MetEndo Pte Ltd (“**The Metabolic Clinic**”), a newly established endocrine specialist clinic that will commence operations in June 2025.

The Metabolic Clinic is located at Novena Medical Centre, a prime location for patient care and convenience. The Metabolic Clinic aims to provide patients with optimal outcomes through comprehensive and holistic expert consultations for patients seeking endocrinology care.

This strategic partnership would enhance Livingstone Health's ecosystem, fostering cross-collaboration between its healthcare professionals and practitioners network. The initiative aligns with Livingstone Health's vision to further improve its value proposition as a holistic healthcare group.

Dr. Dinesh Carl Junis Mahendran (“**Dr. Dinesh**”), the Medical Director, owns 70% of The Metabolic Clinic. Dr. Dinesh is a highly qualified endocrinologist with extensive and sub-specialist experience in endocrine patient care. He received his training in Melbourne, Australia, and completed a fellowship in Andrology with Monash Health before returning to practice as a Consultant in Singapore. Dr. Dinesh was the clinical lead in adrenal, pituitary and bone disorders and started the metabolic bone clinic at Khoo Teck Puat Hospital.

As Associate Program Director for endocrinology with the National Health Group (NHG), Dr. Dinesh was in charge of training senior residents in endocrinology at the hospital. He possesses a special interest in longevity through improved metabolic health, with expertise in diabetes, weight-control, thyroid disorders, hypertension, hypercholesterolaemia, testosterone deficiency, transgender medicine, and osteoporosis.

Dr. Wilson Tay, Executive Director and CEO of Livingstone Health highlighted that “We are delighted to partner with Dr. Dinesh, whose extensive experience and shared vision will integrate seamlessly into our ecosystem. This investment would strategically expand our specialist pool.”

Dr. Dinesh, Medical Director of The Metabolic Clinic said “This partnership aligns and fosters synergy with Livingstone Health’s ecosystem as part of my vision of providing an improved healthcare journey in enhancing health outcomes for my patients.”

The investment is not expected to have a material effect on the net tangible assets or earnings per share of the Group for the current financial year ending 31 March 2026.
