Inspired by the Group’s popular luncheon meat products, the Group will introduce three ANEW luncheon meat products under the first product line-up:

***Rich, Tangy, BBQ Flavour***

***Aromatic Black Pepper Flavour***

***Classic, Chunky Flavour***

Developed by its in-house R&D team and manufactured in Singapore, ANEW’s luncheon meat products are tasty on its own and yet highly versatile to be used for a variety of Asian and Western cuisines. ANEW’s luncheon meat products are currently sold in online stores and will be made available in major supermarkets across Singapore.

**Managing Director of OTS Holdings, Mr. Ong Bee Chip said:** *“Increased awareness of environmental and sustainability benefits have been a key driving force for plant-based alternatives to become a growing part of consumers’ diet around the world.*

*In addition, plant-based alternatives can also mitigate concerns of food security as the world’s population continues to grow.*

*With ANEW, we see an opportunity to participate in the fast-growing plant-based foods market, where we want to be able to meet consumer's expectations so that they can continue to enjoy their favourite food experience with our plant-based products based on our popular recipes.”*

**About OTS Holdings Limited**

(Bloomberg: OTS:SP / SGX Stock Code: OTS)

Established in 1993, OTS Holdings Limited is a brand builder and food manufacturing group in the consumer industry with a strong niche in ready-to-eat and ready-to-cook meat products with key markets in Singapore and Malaysia.

The Group’s vision is to develop a growing portfolio of established consumer brands and become an innovative market leader in the region. Targeting both halal and non-halal consumer segments, the Group has more than 1,100 SKUs across 13 main product types under its seven house brands and notably the Group’s flagship brands, “Golden Bridge” and “Kelly’s” have become established household names within the ready-to-eat and ready-to-cook meat products market in Singapore and Malaysia.

**PRESERVING TRADITIONS,  
INSPIRING GENERATIONS**

The Group owns and operates three modern food manufacturing facilities, two in Singapore and one in Bulan Island, Indonesia. In Singapore, its integrated food manufacturing facilities with in-house research and development team span across around 9,131 sq m with an average annual production of around 2,500 tonnes of ready-to-eat and ready-to-cook meat products.

The Group's food products are sold in major supermarkets, convenience stores, provision shops, hotels and restaurants in Singapore and Malaysia. Having built an established sales and distribution network over the past few decades, the Group aims to expand its presence in existing markets and overseas.
