Management's Responsibility for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Companies Act (the "Act") and Singapore Financial Reporting Standard, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair profit and loss accounts and balance sheets and to maintain accountability of assets.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Group and of the Company as at December 31, 2013 and of the results, changes in equity and cash flows of the Group and changes in equity of the Company for the year ended on that date.

Emphasis of Matter

We draw attention to Note 1 in the financial statements which indicates that for the financial year ended December 31, 2013, the Group incurred a net loss of \$80,806,000 and has a net operating cash outflow of \$35,138,000. These conditions, along with other matters as set forth in Note 1, indicate the existence of a material uncertainty which may cast significant doubt on the Group's and Company's ability to continue as going concerns. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

- c) During the financial year, the Group recorded a net loss of \$80,806,000 (2012 : \$98,736,000) and has a net operating cash outflow of \$35,138,000 (2012 : net operating cash inflow of \$13,234,000).
- d) Management has prepared business plans and cash flows forecasts of the Group and of the Company for the financial year ending December 31, 2014 based on (i) the latest available interim financial information and (ii) the discussions with major customers about their expected orders, which however, do not represent firm or committed orders. Management is of the view that the business plans and cash flows forecasts are achievable. According to their judgement, management believes that the Group and the Company should be able to operate as going concerns.
- e) At December 31, 2013, the Group had available \$80 million (2012 : \$80 million) of undrawn committed short-term borrowing facilities, subject to certain conditions being met. Management believes that the Group will be able to utilise these short-term borrowing facilities if required, and is also of the view that the Group will be able to continue to roll forward their existing trade and banking facilities. In addition, there are no non-current borrowings of the Group approaching maturity within the next 12 months without realistic prospects of renewal or repayment, and there has been no breach of any covenants of the Group's non-current portion of the borrowings which may lead to a request for immediate payment.
- f) These circumstances represents a material uncertainty that may cast significant doubt on the Group's and the Company's ability to continue as going concerns, and therefore, they may be unable to realise their assets and discharge their liabilities in the normal course of business. Nevertheless, management is confident that the strategies in place to improve the operating performance and financial position of the Group and the Company will allow it to continue in operational existence for the foreseeable future. Hence, they continue to adopt the going concern assumption in preparing the accompanying financial statements.
