(i) the aggregate number of shares and/or convertible securities to be issued pursuant to this Resolution must not be more than one hundred per cent (100%) of the total number of issued shares excluding treasury shares and subsidiary holdings of the Company (as calculated in accordance with sub-paragraph (ii) below), of which the aggregate number of shares and/or convertible securities to be issued other than on a *pro-rata* basis to existing shareholders of the Company must not be more than fifty per cent (50%) of the total number of issued shares excluding treasury shares and subsidiary holdings of the Company (as calculated in accordance with sub-paragraph (ii) below);

By Order of the Board

Liu Qiang
Executive Director and Chief Executive Officer
Singapore, 31 July 2025

Explanatory Notes:

Further to the Company's announcement released via SGXNet on 21 February 2025 concerning the Court Orders Pertaining to Irregularities of the Company's AGM held on 30 October 2024, it is noted that Ordinary Resolution 5 in the notice of AGM dated 15 October 2024, which pertained to the authority to allot and issue shares in the capital of the Company, was declared invalid. This declaration was made following the hearing of the Originating Application before Justice Valerie Thean. In light of this, the Board of Directors (the "**Board**") deems it necessary to convene this EGM to obtain shareholders' approval for an ordinary resolution authorising the Board to allot and issue shares in the capital of the Company. This serves as a measure to meet the Company's immediate working capital needs in the short term without relying on conventional debt financing (which will result in higher finance costs to be incurred) for the purpose of funding investment project(s), working capital and/or acquisition(s).

The mandate, if passed, will empower the Directors of the Company from the date of this EGM of the Company until the date of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or the date such authority is revoked or varied by the Company in a general meeting, whichever is the earlier, to allot and issue shares and/or convertible securities in the capital of the Company. The number of shares and convertible securities, which the Directors of the Company may allot and issue under this Resolution shall not exceed one hundred per cent (100%) of the Company's total number of issued shares excluding treasury shares and subsidiary holdings at the time of passing this Resolution. For allotment and issuance of shares and/or convertible securities other than *pro-rata* basis to existing shareholders of the Company, the aggregate number of shares and convertible securities to be allotted and issued shall not exceed fifty per cent (50%) of the Company's total number of issued shares excluding treasury shares and subsidiary holdings at the time of passing this Resolution.

For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares excluding treasury shares and subsidiary holdings in the capital of the Company will be calculated based on the Company's total number of issued shares excluding treasury shares and subsidiary holdings at the time this Resolution is passed after adjusting for new shares arising from the conversion or exercise of any convertible securities or the exercise of share options or the vesting of share awards which were issued and outstanding or subsisting at the time when this Resolution is passed and any subsequent bonus issue, consolidation or subdivision of shares.

"**Subsidiary holdings**" has the meaning ascribed to it in the Catalist Rules.
