THE PROPOSED RENEWAL OF THE SHAREHOLDERS’ MANDATE FOR INTERESTED PERSON TRANSACTIONS WITH MINBAO GROUP

1. INTRODUCTION

- 1.1. The Proposed Resolution No. 10 in the Notice of the Annual General Meeting (the “AGM”) to be held on 30 July 2015 relates to the renewal of the general mandate to authorise the Company and its subsidiaries (collectively, the “Group”) that are considered to be “entities at risk” within the meaning of Chapter 9 of the Listing Manual, to enter into, in the ordinary course of business, any of the mandated transactions with specified classes of the Company’s interested persons, provided that such transactions are made on normal commercial terms and in accordance with the review procedures for such transactions (the “Minbao Group IPT Mandate”).
- 1.2. At an Extraordinary General Meeting of the Company held on 25 July 2014 (the “2014 EGM”), the Shareholders had, *inter alia*, approved the Minbao Group IPT Mandate to enable the Group to enter, in the ordinary course of business, into certain specified classes of transactions with certain specified interested persons.
- 1.3. The Minbao Group IPT Mandate will expire on the date of the forthcoming AGM. Accordingly, it is proposed that the Minbao Group IPT Mandate be renewed at the forthcoming AGM, to take effect until the next AGM of the Company. General information pertaining to Chapter 9 of the Listing Manual is set out in Schedule I of this Appendix 2.

2. DETAILS OF MINBAO GROUP IPT MANDATE GRANTED AT THE 2014 EGM

2.1. Classes of Interested Person

The Minbao Group IPT Mandate to be renewed will apply to the Interested Person Transactions (as specifically described in Section 2.2 (*Nature of Interested Person Transactions*) below) between our Group and Shandong Yinguang Minbao Qicai Co., Ltd. (“Yinguang Minbao”), Shandong Yinguang Commercial Explosives Sales Services Co. Ltd. (“Yinguang Commercial Explosives”) and its associates (collectively, “Minbao Group” or “Interested Persons”).

Each of Mr Sun Bowen (the managing director and a controlling shareholder of our Company) and Mr Bao Hongwei (the Executive Director of our Company) has an aggregate 60.0% and 6.0% of the issued and paid-up share capital of Shandong Yinguang Chemical Group Co. Ltd. ("Yinguang Chemical Group") respectively. Both Mr Sun Bowen and Mr Bao Hongwei are also directors of the Yinguang Chemical Group. In addition, Mr Sun Qiang, who is the son of Mr Sun Bowen and also the sales and marketing manager of the Company, is a non-executive director of Yinguang Minbao and also holds approximately 3.5% of the issued and paid-up share capital of Yinguang Chemical Group. Yinguang Chemical Group in turn holds an aggregate interest of 30.0% in Yinguang Minbao which in turn holds an aggregate interest of approximately 97.6% in Yinguang Commercial Explosives.

By virtue of Mr Sun Bowen and Mr Bao Hongwei's shareholding in Yinguang Chemical Group which holds and aggregate interest of 30.0% in Yinguang Minbao which in turn holds an aggregate interest of approximately 97.6% in Yinguang Commercial Explosives, Yinguang Minbao and Yinguang Commercial Explosives are indirect Associates of the Directors and controlling and substantial shareholders of the Company namely, Mr Sun Bowen and Mr Bao Hongwei, and is therefore deemed to be an interested person. Accordingly, transactions entered into between the Group with Yinguang Minbao and Yinguang Commercial Explosives would be Interested Person Transactions, and subject to Chapter 9 of the Listing Rules.

A diagrammatic representation of the Interested Persons described above is set out in Schedule II to this Appendix 2.

2.2. Nature of Interested Person Transactions

Yinguang Minbao

Yinguang Minbao is principally engaged in the business of manufacturing and sales of ammonium nitrate fuel oils ("ANFO") explosives and emulsion explosives in the People's Republic of China ("PRC"). The approval for the Minbao Group IPT Mandate obtained at the 2014 EGM applied to sale of AN Products by the Group through its subsidiary, Hebei Yinguang to Yinguang Minbao for the manufacturing of ANFO and emulsion explosives.

Yinguang Commercial Explosives

Yinguang Commercial Explosives is principally engaged in the business of trading of commercial explosives products which include initiation system products. The approval for the Minbao Group IPT Mandate obtained at the 2014 EGM applied to sale of Initiation Systems Products by the Group through its subsidiary, Yinguang Technology to Yinguang Commercial Explosives.

Further details of the Interested Person Transactions which were disclosed in the circular of the Company dated 10 July 2014 issued to Shareholders for purposes of the 2014 EGM, have been extracted and set out in Schedule II of this Appendix 2 for your ease of reference.

The Minbao Group IPT Mandate will not cover any transaction by a company in the Group with the Interested Person that is below S\$100,000 in value, as the threshold and aggregation requirements contained in Chapter 9 of the Listing Manual would not apply to such a transaction.

Transactions with the Interested Person which do not fall within the ambit of the Minbao Group IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual and/or other applicable provisions of the Listing Manual.

3. RATIONALE FOR AND BENEFIT OF THE MINBAO GROUP IPT MANDATE

3.1. Rationale

- (a) It is envisaged that the Group will in its ordinary course of business continue to enter into Product Sales with the Interested Person of such aggregate value that requires our Shareholders' approval pursuant to Chapter 9 of the Listing Manual. Such transactions are recurring transactions that are likely to occur with some degree of frequency and are part of the day-to-day operations of the Group, and could arise at any time.

- (b) Given that the Product Sales are of a revenue nature primarily and are expected to be recurrent and occur at any time, and due to the time-sensitive nature of these transactions, to allow the Group to undertake such transactions in a more expeditious manner, our Directors are seeking the approval of our Shareholders for the renewal of the Minbao Group IPT Mandate in respect of the Product Sales for the purposes of Chapter 9 of the Listing Manual and for our Group to enter into the Product Sales, provided that such transactions are made on normal commercial terms, are in the interests of our Company and are not prejudicial to the interests of our Company and our minority Shareholders.

3.2. Benefits

- (a) The Minbao Group IPT Mandate and its subsequent renewal thereafter on an annual basis will eliminate the need for the Company to announce, or to announce and convene separate general meetings on each occasion to seek Shareholders' prior approval for the entry by the relevant entity in the Group into such Interested Person Transactions. This will substantially reduce the expenses associated with the convening of general meetings (including the engagement of external advisers and preparation of documents) on an *ad hoc* basis, improve administrative efficiency and efficacy considerably, and allow manpower resources and time to be channelled towards attaining other business objectives available to the Company.
- (b) The Minbao Group IPT Mandate is intended to facilitate Interested Person Transactions in the normal course of business of the Group, which are recurrent in nature or necessary for the day-to-day operations of the Group, and which may be transacted from time to time with the Interested Persons, provided that they are carried out on an arm's length basis and on normal commercial terms, and are not prejudicial to the interests of the Company and its minority Shareholders.

4. REVIEW PROCEDURES FOR INTERESTED PERSON TRANSACTIONS

4.1. Review Procedures

Having regard to the nature of the Interested Person Transactions, and the criteria in establishing the review procedures which is to ensure that such review procedures are adequate and/or commercially practicable in ensuring that the Interested Person Transactions are conducted on normal commercial terms, are in the interests of the Company and are not prejudicial to the interests of the Company and the minority Shareholders, the following review procedures will be implemented:

- (a) the sales personnel and/or general manager will submit the recommendation to undertake the transaction for approval to the head of finance (China operations) and a Director (who is not considered an "interested person" within the meaning of Chapter 9 of the Listing Manual or his Associates), both of whom have no interest, directly or indirectly in the transaction. The head of finance (China operations) and the Director will obtain comparable market prices, contemporaneous in time. The selling prices and terms of at least two other successful Product Sales of similar nature by the Group to non-interested third parties will be used as comparison. The selling prices quoted or submitted at bidding exercises (as the case may be) shall not be lower than the lowest selling price of the other transactions with non-interested third parties;
- (b) the transactions will be entered into with the Interested Persons on terms which are no more favourable to the Interested Persons than the usual commercial terms extended to or by (as the case may be) non-interested third parties, after taking into account, if applicable, factors such as (but not limited to) the nature of the product, delivery schedules, order quantity, foreign exchange rates, customer requirements and specifications, duration of contract, preferential rates, discounts or rebates for bulk purchases, and cost for freight. The Group will not proceed with any transaction with an Interested Person if it results in a gross loss (i.e. after deducting cost of sales) to the Group at the point of transaction; and

- (c) in relation to any Product Sales to the Interested Persons where it is impractical or impossible to compare our selling prices to unrelated third parties for similar products, the transaction price will be determined in accordance with our Group's usual business practices and pricing policies (including our profit margin policies) for the same or substantially similar type of products sold to unrelated third parties or in accordance with industry norms (as the case may be). In determining the transaction price, factors such as, but not limited to, the nature of the product, delivery schedules, order quantity, foreign exchange rates, customer requirements and specifications, duration of contract, preferential rates, discounts or rebates for bulk purchases, and cost for freight will be taken into account. The Group will not proceed with any transaction with an Interested Person if it results in a gross loss (i.e. after deducting cost of sales) to the Group at the point of transaction.

4.2. Additional Review Procedures

- (a) Chapter 9 of the Listing Manual does not require transactions below S\$100,000 each to be included under the Minbao Group IPT Mandate. However, our Audit Committee will review, on a quarterly basis, all Product Sales, including those that are below S\$100,000 each;
- (b) A threshold limit of RMB 1.0 million for each Interested Person Transaction (the "Threshold Limit") will be applied. The Threshold Limit has been set and is regarded as reasonable by the Independent Directors of the Company (deemed independent for the purpose of the Minbao Group IPT Mandate) based on (i) the anticipated value of potential Product Sales that the Group may enter into with the Interested Persons and (ii) the review procedures set out above in Section 4.1 (*Review Procedures*) and including the various approval limits to be implemented for such Product Sales as set out below in this Section 4.2 (*Additional Review Procedures*);
- (c) Where the value of a Product Sale equals to or exceeds the Threshold Limit, such transaction must be reviewed and approved by the Audit Committee of the Company prior to the Group entering into such a transaction;
- (d) The Audit Committee may, if it deems fit, request for additional information pertaining to the Product Sale transaction from independent sources or advisors, including the obtaining of valuations from independent professional valuers;
- (e) Where the value of a Product Sale is less than the Threshold Limit, such transaction does not require the Audit Committee's prior approval. However, these transactions with a value equivalent to or greater than S\$100,000 each will be reviewed on a quarterly basis by the Audit Committee to ensure that they are conducted on normal commercial terms and in accordance with the review procedures outlined above. All relevant non-quantitative factors such as (but not limited to) the nature of the products and prevailing market conditions will also be taken into consideration;
- (f) Where the value of a Product Sale is less than the Threshold Limit, such transaction does not require the Audit Committee's prior approval. However, these transactions with a value equivalent to or greater than S\$100,000 each will be reviewed on a quarterly basis by the Audit Committee to ensure that they are conducted on normal commercial terms and in accordance with the review procedures outlined above. All relevant non-quantitative factors such as (but not limited to) the nature of the products and prevailing market conditions will also be taken into consideration.

Each Product Sale will be monitored as an individual transaction and, based on the value of the transaction, will require the prior approval of the corresponding approving authority who is a Director or a management employee of the Group (not being an "interested person" within the meaning of Chapter 9 of the Listing Manual or his Associates) as follows:

Approval Limits

Transactions equal to or more than S\$100,000 (equivalent to approximately RMB 0.5 million as at the Latest Practicable Date) but less than the Threshold Limit of RMB 1.0 million

Relevant Approving Authority

1 Director and the head of finance (China Operations)

Transactions equal to or more than the Threshold Limit of RMB 1.0 million

Audit Committee

4.3. Register of Interested Person Transactions

Each Product Sale will be properly documented and our Company will maintain a register of all such Interested Person Transactions entered into with the Interested Persons (“IPT Register”). The head of finance (China Operations) (not being an “interested person” within the meaning of Chapter 9 of the Listing Manual or his Associates) will ensure that the IPT Register is properly updated.

4.4. Periodic Review

- (a) Our Audit Committee will carry out reviews of all Products Sales of a value equivalent to or greater than S\$100,000 on at least a half-yearly basis, and Product Sales of a value below S\$100,000 on a yearly basis to (i) ensure that the established guidelines and review procedures for the Product Sales have been complied with and the relevant approvals have been obtained and (ii) determine if such guidelines and review procedures are adequate and/or commercially practicable in ensuring that the Products Sales are conducted on normal commercial terms, are in the interest of our Company and are not prejudicial to the interests of our Company and our minority Shareholders.
- (b) In the event that a member of our Audit Committee has an interest in any Product Sale under consideration, he will abstain from approving that particular Product Sale to ensure that it will be conducted on normal commercial terms. Approval of that particular Product Sales will accordingly be undertaken by the remaining members of our Audit Committee.
- (c) If, during these reviews, our Audit Committee is of the view that the above guidelines and review procedures have become inappropriate or have become insufficient to ensure that the Product Sales (i) will be conducted on normal commercial terms, (ii) are in the interest of our Company and (iii) are not prejudicial to the interests of our Company and our minority Shareholders, our Company will seek a fresh mandate from our Shareholders based on new guidelines and review procedures for transactions with the Interested Persons. During the period prior to obtaining a fresh mandate from Shareholders, all Product Sales will be subject to prior review and approval by our Audit Committee.

4.5. Review by Internal Auditors

The Group shall incorporate into its internal audit plan a review by the internal auditors on a quarterly basis for all Interested Person Transactions entered into by the Group pursuant to the Minbao Group IPT Mandate to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions have been adhered to. The review report by the internal auditors on the Interested Person Transactions will be forwarded to the Audit Committee.

4.6. Review by External Auditors

As part of the Group’s annual audit, external auditors will review the Interested Person Transactions on a sampling basis. The external auditors will report to the Audit Committee in the event of any non-compliance based on the audit sample.

4.7. Review by Directors

Our Board will ensure that all disclosure, approval and other requirements on the Interested Person Transactions, including those required by prevailing legislation, the Listing Manual and accounting standards, are complied with.

5. VALIDITY PERIOD OF THE MINBAO GROUP IPT MANDATE

- 5.1. If approved by the Shareholders at this AGM, the Minbao Group IPT Mandate will take effect from the date of receipt of the Shareholders' approval, and will (unless revoked or varied by the Company in general meeting) continue in force until the next AGM of the Company and will apply to Interested Person Transactions entered into from the date of receipt of the Shareholders' approval.
- 5.2. Approval from Shareholders will be sought for the renewal of the Minbao Group IPT Mandate at each subsequent AGM, subject to review by the Audit Committee of its continued application to the Interested Person Transactions.
- 5.3. In the event that it is determined by the Audit Committee that the review procedures set out in Section 4 (*Review Procedures for Interested Person Transactions*) above have become inappropriate, a fresh mandate from the Shareholders shall be sought.

6. DISCLOSURE TO SHAREHOLDERS

Pursuant to Chapter 9 of the Listing Manual, our Company will disclose the Minbao Group IPT Mandate in our annual report, giving details of the aggregate value of the Interested Person Transactions conducted pursuant to the Minbao Group IPT Mandate for the current financial year.

In addition, our Company will announce the aggregate value of the Interested Person Transactions conducted pursuant to the Minbao Group IPT Mandate for the financial periods which it is required to report on (pursuant to Rule 705 of the Listing Manual) within the time required for the announcement of such report.
