(Resolution 8)

By Order of the Board

Busarakham Kohsikaporn
Company Secretary
Singapore, 7 April 2016

Explanatory Notes on Resolutions to be passed:

- There was a shortfall of S\$38,756.85 in the actual Directors' fees of S\$438,756.85 incurred and the amount of Directors' fees of S\$400,000 for FY2015 approved by shareholders at the last AGM on 27 April 2015. This was due to the attendance fees payable for ad-hoc meetings of the Board and Board Committees in FY2015 and time spent on the succession planning of CEO.
The Directors' fee framework remains unchanged.
- The Ordinary Resolution 5 proposed in item 4 above is to approve non-executive Directors' fees for the financial year ending 2016. The amount is computed based on the Company's fee framework comprising a base fee, additional fees for holding appointment as Chairman of the Board or Chairman/member of Board Committees; and attendance fees based on the anticipated number of Board and Board Committee meetings to be held in 2016.
- The Ordinary Resolution 7 proposed in item 7 above, if passed, will empower the Directors of the Company, effective until the conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is revoked or varied by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant Instruments convertible into shares and to issue shares pursuant to such Instruments, up to a number not exceeding, in total, 50% of the total number of issued shares (excluding treasury shares) in the capital of the Company, of which up to 20% may be issued other than on a pro rata basis to shareholders. For determining the aggregate number of shares that may be issued, the total number of issued shares (excluding treasury shares) will be calculated based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time this Ordinary Resolution is passed, after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution is passed, and any subsequent bonus issue, consolidation or subdivision of shares.
- The Ordinary Resolution 8 proposed in item 8 above, if passed, will empower the Directors of the Company, effective until the conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is revoked or varied by the Company in a general meeting, whichever is the earlier, to issue from time to time such number of shares in the capital of the Company as may be required to be issued pursuant to the exercise of options granted or to be granted under the Scheme. The aggregate number of shares which may be issued pursuant to the Scheme and any other share schemes which the Company may have in place shall not exceed 15% of the total number of issued shares (excluding treasury shares) in the capital of the Company from time to time.
