5. Compulsory Acquisition and Listing Status

5.1 Compulsory Acquisition

As at the date of this Announcement, the Offeror has received valid acceptances pursuant to the Offer or acquired Shares from the date of electronic dissemination of the Offer Document to Shareholders (the “**Despatch Date**”) otherwise than through valid acceptances of the Offer, in respect of not less than 90 per cent. of the total number of Shares in issue (excluding Shares held in treasury and those already held by the Offeror, its related corporations or their respective nominees² as at the Despatch Date). **Accordingly, the Offeror is entitled to, and will in due course, exercise its right under Section 215(1) of the Companies Act to compulsorily**

¹ As a percentage of the total number of Shares as at the date of this Announcement.

² And other persons required to be excluded under Section 215(9A) of the Companies Act.

acquire, at the Offer Price³, all the Offer Shares held by Shareholders who have not accepted the Offer (the “Dissenting Shareholders”).

In addition, pursuant to Section 215(3) of the Companies Act, the Dissenting Shareholders have the right under and subject to Section 215(3) of the Companies Act, to require the Offeror to acquire their Offer Shares at the Offer Price³. As the Offeror would be proceeding to compulsorily acquire their Offer Shares pursuant to Section 215(1) of the Companies Act, **the Dissenting Shareholders need not take any action in relation to their rights under Section 215(3) of the Companies Act.** Dissenting Shareholders who wish to exercise such a right are advised to seek their own independent legal advice.

5.2 Listing Status

Under Rule 1105 of the Listing Manual, upon an announcement by the Offeror that it has received acceptances which result in the Offeror and the Offeror Concert Parties holding more than 90 per cent. of the total number of Shares (excluding Shares held in treasury), the SGX-ST may suspend the trading of the listed securities of the Company on the SGX-ST until such time when the SGX-ST is satisfied that at least 10 per cent. of the total number of Shares (excluding Shares held in treasury) are held by at least 500 Shareholders who are members of the public (the “**Free Float Requirement**”). Rule 1303(1) of the Listing Manual provides that where the Offeror succeeds in garnering acceptances exceeding 90 per cent. of the total number of Shares (excluding Shares held in treasury), thus causing the percentage of the total number of Shares (excluding Shares held in treasury) held in public hands to fall below 10 per cent., the SGX-ST will suspend trading of the Shares at the close of the Offer.

As announced by the Company on 16 May 2025, the Free Float Requirement is no longer satisfied.

As stated in the Offer Document, the Offeror intends to make the Company its wholly-owned subsidiary and does not intend to preserve the listing status of the Company. Accordingly, the Offeror does not intend to support any action or take any steps to maintain the listing status of the Company and meet the Free Float Requirement. In addition, the Offeror also reserves the right to seek a voluntary delisting of the Company from the SGX-ST pursuant to Rules 1307 and 1309 of the Listing Manual.

The directors of the Offeror (including any director who may have delegated detailed supervision of the preparation of this Announcement) have taken all reasonable care to ensure that the facts stated and opinions expressed in this Announcement are fair and accurate and that there are no other material facts not contained in this Announcement, the omission of which would make any statement in this Announcement misleading, and they jointly and severally accept responsibility accordingly.
