2. DETAILS OF THE EQUITY FUND RAISING

2.1. Private Placement

DBS Bank Ltd., Oversea-Chinese Banking Corporation Limited, SAC Capital Private Limited and United Overseas Bank Limited as the joint placement agents (the “**Joint Placement Agents**”) have today entered into a placement agreement with the Company (the “**Placement Agreement**”) pursuant to which each of the Joint Placement Agents has severally (and not jointly nor jointly and severally) agreed, on a best efforts basis, to procure subscribers for the Private Placement Shares at the Private Placement Price. The Private Placement is not underwritten by the Joint Placement Agents and none of the Joint Placement Agents shall be obliged to purchase as principal any of the Private Placement Shares if all or any part of the Private Placement Shares are not purchased by subscribers for whatever reason.

The Private Placement shall be subject to certain conditions precedent set out in the Placement Agreement, including the approval in-principle of the SGX-ST for the listing and quotation of the Private Placement Shares on the Main Board of the SGX-ST.

The Private Placement Price represents a discount of approximately 8.1% to the volume weighted average price (“**VWAP**”) of S\$0.4375 per Share for all trades in the Shares on the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) for the preceding Market Day on 13 May 2026, being the last full Market Day on which the Shares were traded prior to the trading halt called by the Company on 14 May 2026 and up to the execution of the Placement Agreement.

2.2. Preferential Offering

SAC Capital Private Limited (the “**Underwriter**”) has today entered into an underwriting agreement with the Company (the “**Underwriting Agreement**”) pursuant to which the Underwriter has agreed to procure subscribers for, or failing which, to subscribe for the Preferential Offering Shares, other than the Preferential Offering Shares which are subject to the Irrevocable Undertakings (as defined herein), details of which are set out in paragraph 10 below.

Mr. Koh Wee Seng (“**KWS**”), the Non-Executive Chairman and a controlling shareholder of the Company, has today entered into a sub-underwriting agreement (the “**Sub-Underwriting Agreement**”) with the Underwriter, pursuant to which he has agreed, on the terms and subject to the conditions of the Sub-Underwriting Agreement, to subscribe for up to 4,974,350 Preferential Offering Shares to the extent that such Preferential Offering Shares are not successfully subscribed for under the Preferential Offering and where

successful subscriptions shall include valid acceptances for provisional allotments of Preferential Offering Shares and valid subscriptions for excess Preferential Offering Shares. Under the terms of the Sub-Underwriting Agreement, no sub-underwriting fees will be paid to KWS.

The Preferential Offering shall be subject to certain conditions precedent set out in the Underwriting Agreement, including the approval in-principle of the SGX-ST for the listing and quotation of the Preferential Offering Shares on the Main Board of the SGX-ST remaining in full force and effect, and there not having occurred any withdrawal of such approval or any event or condition that would prevent commencement of trading of the Preferential Offering Shares.

In relation to the Preferential Offering, Aspial Corporation Limited (“**ACL**”) and KWS (together with ACL, the “**Controlling Shareholders**”), who are controlling shareholders of the Company, have provided irrevocable undertakings to the Company (the “**Irrevocable Undertakings**”) to subscribe and pay for all of their respective entitlements under the Preferential Offering (as applicable), the details of which are set out in paragraph 10 below.

The Preferential Offering Price represents a discount of approximately 8.1% to the VWAP of S\$0.4375 per Share for all trades in the Shares on the SGX-ST for the preceding Market Day on 13 May 2026, being the last full Market Day on which the Shares were traded prior to the trading halt called by the Company on 14 May 2026 and up to the execution of the Underwriting Agreement.

3. USE OF PROCEEDS

Subject to relevant laws and regulations, the Company intends to use the gross proceeds of approximately S\$84.8 million from the Equity Fund Raising in the following manner:

- (i) approximately S\$67.8 million (which is equivalent to approximately 80% of the gross proceeds of the Equity Fund Raising) for general corporate activities of the Group, including but not limited to business expansion, investments (including investments into the Group’s growing pawnbroking and secured lending businesses), and if opportunities arise, strategic acquisitions;
- (ii) approximately S\$15.3 million (which is equivalent to approximately 18% of the gross proceeds of the Equity Fund Raising) for general working capital requirements and repayment of bank borrowings of the Company; and
- (iii) approximately S\$1.7 million (which is equivalent to approximately 2% of the gross proceeds of the Equity Fund Raising) to pay the estimated fees and expenses including professional fees and expenses, incurred or to be incurred by the Company in connection with the Equity Fund Raising.

Notwithstanding its current intention, in the event that the Equity Fund Raising is completed but the general corporate activities set out above do not proceed for whatever reason, the Company may, subject to relevant laws and regulations, use the net proceeds of the Equity Fund Raising at its absolute discretion for other purposes, including, without limitation, the repayment of existing indebtedness.

Pending the deployment of the net proceeds of the Equity Fund Raising, the net proceeds may, subject to relevant laws and regulations, be deposited with banks and/or financial

institutions or used to repay outstanding borrowings or for any other purpose on a short-term basis as the Company may, in its absolute discretion, deem fit.

The Company will make periodic announcements on the utilisation of the net proceeds of the Equity Fund Raising via SGXNET as and when such funds are materially disbursed and whether such a use is in accordance with the stated use and in accordance with the percentage allocated. Where proceeds are to be used for working capital purposes, the Company will disclose a breakdown with specific details on the use of proceeds for working capital in the Company's announcements on the use of proceeds and in the Company's annual report and where there is any material deviation from the stated use of proceeds, the Company will make an announcement immediately on disbursement of proceeds and announce the reasons for such deviation.

4. RATIONALE FOR AND KEY BENEFITS OF THE EQUITY FUND RAISING

The Company intends to use the net proceeds of the Equity Fund Raising towards the general corporate activities of the Group as set out in paragraph 3 above, which will bring the following benefits to shareholders of the Company (the "**Shareholders**") as set out below.

4.1 Strengthen the Group's financial position. The Equity Fund Raising will strengthen the Group's financial position, enhance its capital structure, provide greater financial capability and flexibility to seize any investment and/or growth opportunities in a timely manner as and when such opportunities arise.

4.2 Increase in free float of the Shares. As an aggregate of 210,963,489 New Shares will be issued pursuant to the Equity Fund Raising, the New Shares will increase the number of Shares in issue (excluding treasury shares) from 1,851,284,692 Shares to 2,062,248,181 Shares, representing approximately 11.4% of the existing issued and paid-up share capital of the Company and approximately 10.2% of the enlarged share capital of the Company.

This increase in the total number of Shares in issue and the enlarged Shareholder base are expected to increase the free float and improve the trading liquidity of the Shares.

4.3 Support the execution of the Group's medium to long-term strategic initiatives. The Equity Fund Raising will support the execution of the Group's medium to long-term strategic initiatives as well as to position the Group to seize growth opportunities in the pawnbroking and secured lending sectors, which the Group believes will continue to demonstrate resilient demand and attractive long-term potential.

5. PREVIOUS EQUITY FUND RAISING IN THE LAST 12 MONTHS

The Company has not undertaken any previous equity fund raising in the past twelve (12) months.

6. AUTHORITY TO ISSUE NEW SHARES

The New Shares will be issued pursuant to a general mandate (the "**General Mandate**")

approved by the Shareholders at the annual general meeting of the Company (“**AGM**”) held on 28 April 2026, pursuant to which the Directors may, during the period from 28 April 2026 to (a) the conclusion of the next AGM or (b) the date by which the next AGM is required by applicable regulations to be held, or (c) the date on which such authority is revoked or varied by the Shareholders in a general meeting, whichever is the earliest, (i) issue Shares whether by way of rights, bonus or otherwise; and/or (ii) make or grant offers, agreements or options (collectively, “**Instruments**”) that might or would require Shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other Instruments convertible into Shares; and (iii) issue additional Instruments arising from adjustments made to the number of Instruments previously issued in the event of rights, bonus or capitalisation issues, provided that the aggregate number of Shares (including Shares to be issued in pursuance of the Instruments made or granted) to be issued shall not exceed 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company in issue as at 28 April 2026 (the “**Base Figure**”), of which the aggregate number of Shares (including Shares to be issued in pursuance of the Instruments made or granted) to be issued other than on a *pro-rata* basis to existing Shareholders shall not exceed 20% of the total number of the Base Figure.

As at 28 April 2026, the number of Shares (excluding treasury shares) in issue was 1,851,284,692.

The number of new Shares that can be issued under the General Mandate is 925,642,346 new Shares, of which no more than 370,256,938 new Shares may be issued on a non *pro rata* basis.

149,254,000 Private Placement Shares will constitute approximately 8.1% of the Base Figure, which is within the 20.0% limit for issue of new Shares other than on a *pro rata* basis.

61,709,489 Preferential Offering Shares will constitute approximately 3.3% of the Base Figure, which is within the 50.0% limit for issue of new Shares on a *pro rata* basis.

The Company will be relying on the General Mandate for the issue of the New Shares under the Equity Fund Raising. Accordingly, the prior approval of Shareholders is not required for the issue of the New Shares under the Equity Fund Raising.

7. ELIGIBILITY TO PARTICIPATE IN THE PRIVATE PLACEMENT

The offer of the Private Placement Shares will be made to eligible institutional, accredited and other investors. The Private Placement will be undertaken by way of an exempt offering in Singapore in accordance with Section 272B, Section 274 and Section 275(1) of the Securities and Futures Act 2001 of Singapore. Accordingly, no prospectus, offer document or offer information statement will be issued by the Company in connection with the Private Placement.

The Company, along with the Joint Placement Agents, reserve the absolute discretion in determining whether to allow such participation as well as the persons who may be allowed to do so.

8. DETAILS OF THE PREFERENTIAL OFFERING

In connection with the Preferential Offering, the Company intends to issue Preferential Offering Shares to Eligible Shareholders (as defined below) on a *pro rata* basis in respect of their existing Shares (the “**Existing Shares**”) held as at 5.00 p.m. on 22 May 2026, being the record date in relation to the Preferential Offering entitlement (the “**Record Date**”).

As the Preferential Offering is made on a non-renounceable basis, the provisional allotments of Preferential Offering Shares cannot be renounced in favour of a third party or traded on the SGX-ST. Each Eligible Shareholder will be provisionally allotted the Preferential Offering Shares on the basis of their shareholdings in the Company as at the Record Date. In this regard, fractions of a Preferential Offering Share will be disregarded.

Eligible Shareholders are at liberty to accept or decline their provisional allotments of Preferential Offering Shares and are eligible to apply for additional Preferential Offering Shares in excess of their provisional allotments under the Preferential Offering (“**Excess Preferential Offering Shares**”). Eligible Shareholders are prohibited from trading, transferring, assigning or otherwise dealing with (in full or in part) their (a) provisional allotments of Preferential Offering Shares, or (b) eligibility to apply for Excess Preferential Offering Shares.

The Preferential Offering Shares represented by (i) the provisional allotments of Eligible Shareholders who decline or do not accept, in full or in part, their provisional allotments of Preferential Offering Shares, (ii) the provisional allotments of ineligible Shareholders, and/or (iii) the aggregate of fractional entitlements, may be issued to satisfy applications for Excess Preferential Offering Shares as the Company may, in its absolute discretion, deem fit. In the allotment of Excess Preferential Offering Shares, preference will be given to the rounding of odd lots. Directors and substantial Shareholders who have control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Preferential Offering, or have representation (direct or through a nominee) on the board of Directors, will rank last in priority for the rounding of odd lots and allotment of Excess Preferential Offering Shares.

9. ELIGIBILITY TO PARTICIPATE IN THE PREFERENTIAL OFFERING

Eligibility. The Company proposes to provisionally allot the Preferential Offering Shares to Eligible Shareholders only. “**Eligible Shareholders**” are Shareholders with Shares standing to the credit of their respective securities accounts with The Central Depository (Pte) Limited (“**CDP**”) as at the Record Date and (a) whose registered addresses with CDP are in Singapore as at the Record Date; or (b) who have at least three Market Days prior to the Record Date provided CDP with addresses in Singapore for the service of notices and documents, but exclude, subject to certain exceptions, Shareholders located, resident or with a registered address outside of Singapore.

Foreign Shareholders. For practical reasons and in order to avoid any violation of the securities legislation applicable in countries other than Singapore, the Preferential Offering is only made in Singapore and the Preferential Offering Shares will NOT be offered to Shareholders with registered addresses outside Singapore and who have not, at least three (3) Market Days prior to the Record Date, provided CDP or the Share Registrar, as the case

may be, with addresses in Singapore for the service of notices and documents (“**Foreign Shareholders**”).

SHAREHOLDERS WITH REGISTERED ADDRESSES OUTSIDE SINGAPORE WHO WISH TO PARTICIPATE IN THE PREFERENTIAL OFFERING SHOULD PROVIDE CDP OR THE SHARE REGISTRAR, AS THE CASE MAY BE, WITH ADDRESSES IN SINGAPORE FOR THE SERVICE OF NOTICES AND DOCUMENTS, AT LEAST THREE (3) MARKET DAYS PRIOR TO THE RECORD DATE.

For the avoidance of doubt, even if a Shareholder has provided a Singapore address as aforesaid, the offer of the Preferential Offering Shares under the Preferential Offering to him will be subject to compliance with applicable securities laws outside Singapore. The Company further reserves the right to reject any acceptances of the Preferential Offering Shares and any application for Excess Preferential Offering Shares under the Preferential Offering where it believes, or has reason to believe, that such acceptances or applications may violate the applicable laws of any jurisdiction.

10. COMMITMENTS BY THE CONTROLLING SHAREHOLDERS

To demonstrate its support for the Company and the Equity Fund Raising, ACL has provided an irrevocable undertaking that, subject to any prohibitions or restrictions imposed by the relevant regulatory authorities (including the SGX-ST), it will accept, subscribe and pay in full for its total provisional allotment of 43,685,817 Preferential Offering Shares.

To demonstrate his support for the Company and the Equity Fund Raising, KWS has provided an irrevocable undertaking that, subject to any prohibitions or restrictions imposed by the relevant regulatory authorities (including the SGX-ST), he will accept, subscribe and pay in full for his total provisional allotment of 6,135,002 Preferential Offering Shares.

The Preferential Offering Shares which are the subject to the Irrevocable Undertakings from the Controlling Shareholders will not be underwritten by the Underwriter.

11. STATUS OF THE NEW SHARES

11.1 Status of Private Placement Shares

The Private Placement Shares will, upon allotment and issue, rank in all respects *pari passu* with the Existing Shares in issue, save that they will not rank for dividends, rights, allotments and other distribution, the record date of which is on or before the relevant date of allotment and issuance of the Private Placement Shares, and will be freely transferable (subject to applicable laws), free and clear of any pledge, lien, charge, security interest and other encumbrances.

For the avoidance of doubt, the Private Placement Shares will not be eligible to participate in the Preferential Offering. The Private Placement Shares will be credited to the securities accounts of the respective placees with CDP on the expected date of listing and trading of the Private Placement Shares, which will be after the Record Date.

11.2 Status of Preferential Offering Shares

The Preferential Offering will be undertaken subsequent to the Private Placement. The Preferential Offering Shares will, upon allotment and issue, rank in all respects *pari passu* with the Existing Shares in issue (including the Private Placement Shares), save that they will not rank for dividends, rights, allotments and other distribution, the record date of which is on or before the relevant date of allotment and issuance of the Preferential Offering Shares, and will be freely transferable (subject to applicable laws), free and clear of any pledge, lien, charge, security interest and other encumbrances.

12. STATEMENT BY THE BOARD

The Directors are of the opinion that, after taking into consideration the Group's internal resources and its available loan facilities, the working capital available to the Group is sufficient to meet its present requirements. Notwithstanding the present sufficiency of working capital, the Directors are of the view that the Equity Fund Raising will strengthen the Group's financial position, provide flexibility to capitalise on growth opportunities, broaden the shareholder base and expand the capital base of the Group.
