Important Notice

- ◆ Certain statements in this Presentation constitute “forward-looking statements”, including forward-looking financial information. Such forward-looking statement and financial information involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of FCT or the Manager, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements and financial information. Such forward-looking statements and financial information are based on numerous assumptions regarding the Manager’s present and future business strategies and the environment in which FCT or the Manager will operate in the future. Because these statements and financial information reflect the Manager’s current views concerning future events, these statements and financial information necessarily involve risks, uncertainties and assumptions. Actual future performance could differ materially from these forward-looking statements and financial information.
- ◆ The Manager expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement or financial information contained in this Presentation to reflect any change in the Manager’s expectations with regard thereto or any change in events, conditions or circumstances on which any such statement or information is based, subject to compliance with all applicable laws and regulations and/or the rules of the SGX-ST and/or any other regulatory or supervisory body or agency. The value of Units in FCT and the income derived from them may fall as well as rise. The Units in FCT are not obligations of, deposits in, or guaranteed by, the Manager or any of their affiliates. An investment in the Units in FCT is subject to investment risks, including the possible loss of the principal amount invested. Unitholders of FCT should note that they have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders of FCT may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.
- ◆ This Presentation contains certain information with respect to the trade sectors of FCT’s tenants. The Manager has determined the trade sectors in which FCT’s tenants are primarily involved based on the Manager’s general understanding of the business activities conducted by such tenants. The Manager’s knowledge of the business activities of FCT’s tenants is necessarily limited and such tenants may conduct business activities that are in addition to, or different from, those shown herein.
- ◆ This Presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for any securities of FCT. The past performance of FCT and the Manager is not necessarily indicative of the future performance of FCT and the Manager.
- ◆ This Presentation includes market and industry data and forecast that have been obtained from internal survey, reports and studies, where appropriate, as well as market research, publicly available information and industry publications. Industry publications, surveys and forecasts generally state that the information they contain has been obtained from sources believed to be reliable, but there can be no assurance as to the accuracy or completeness of such included information. While the Manager has taken reasonable steps to ensure that the information is extracted accurately and in its proper context, the Manager has not independently verified any of the data from third party sources or ascertained the underlying economic assumptions relied upon therein.

Shopper traffic and tenants' sales

- ◆ Portfolio shopper traffic for 4Q19 grew 8.9% year-on-year, attributed mainly to higher traffic registered at Northpoint City North Wing
- ◆ Overall portfolio tenants' sales per square foot was flat year-on-year.
- ◆ **Northpoint City North Wing; Changi City Point and Waterway Point** registered tenants' sales growth of between 2.0% and 6.0%; but this was offset by lower tenants' sales performance at Causeway Point; Anchorpoint and Bedok Point. YewTee Point registered flat tenants' sales growth.
- ◆ **Causeway Point's** tenants' sales was affected by the partial closure of the basement level to facilitate works related to the underground pedestrian link and the lease termination of certain tenants in the computer hardware trade sector in early 2019. Otherwise, tenants' sales performance in other sectors in the mall remained stable.

Transformational year, poised for growth

- ◆ FY2019 was a transformational year for FCT
- ◆ Invested ~S\$910 million in the acquisition of significant stakes in PGIM ARF and in Waterway Point
- ◆ Strong pipeline assets to support exciting phase of growth
- ◆ FCT remains Singapore-centric and suburban-focused retail REIT
- ◆ Increasing outreach to global investors with inclusion in the EPRA/NAREIT Index

- Based on HDB's data as of 31 March 2018

Well-positioned to grow

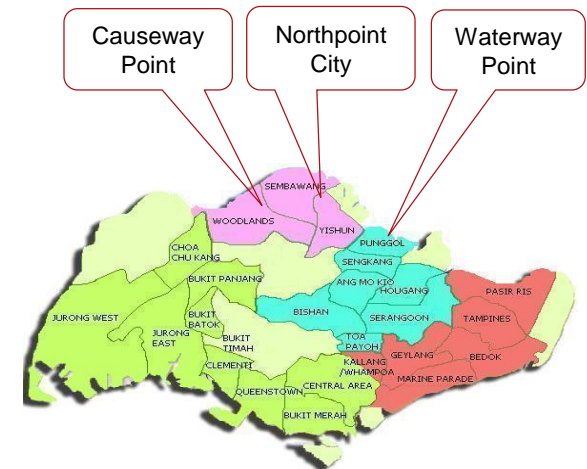

- ◆ Key FCT malls are located in outer north and outer north east regions that enjoy low retail space floor space per capita of about 2.7 per square foot, compared to the nation average of about 6 per square foot
- ◆ Lower retail space per capita implies higher opportunity to grow footfall to the malls in that region

FCT's retail properties are located in growing HDB towns

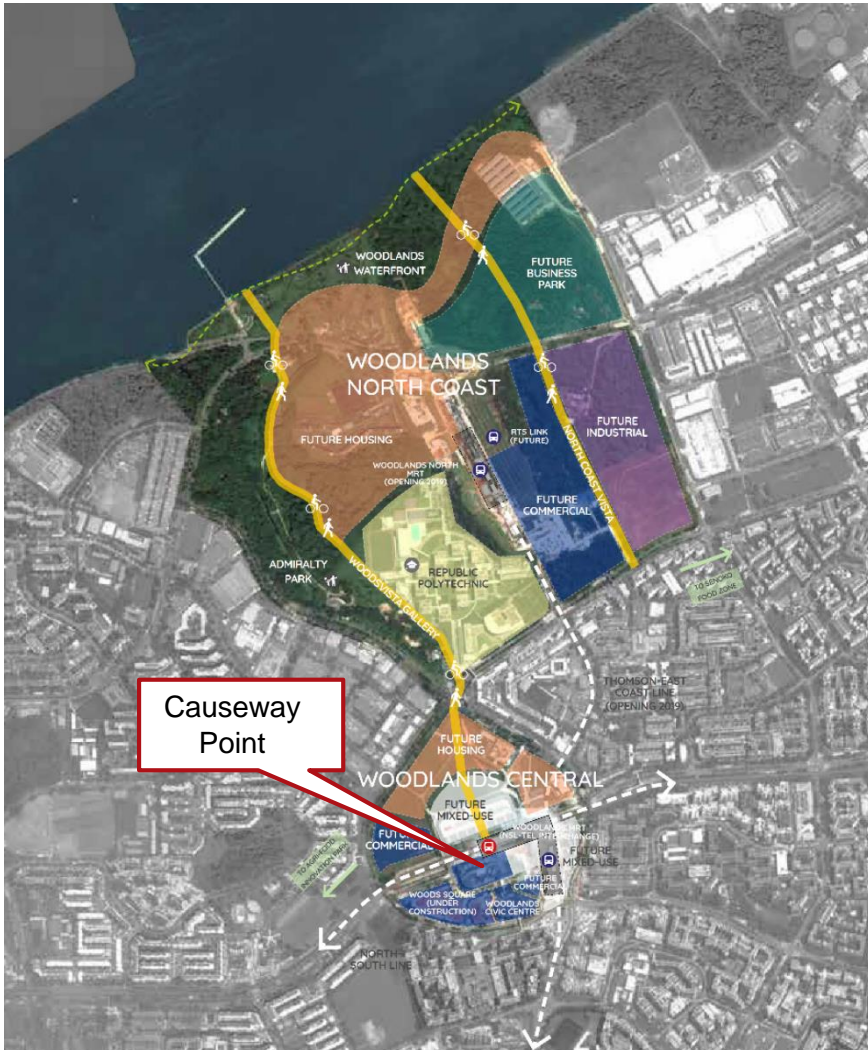

- ◆ The three largest malls in FCT portfolio are located in HDB towns with growing number of HDB units and with good growth potential
- ◆ Punggol has 8,806 new flats under construction and is the fastest growing HDB town

Summary

Poised for growth

- ◆ Leading suburban retail space provider with opportunity to expand market share
- ◆ Strong pipeline assets for future acquisitions, sets stage for exciting growth phase
- ◆ The keys malls in FCT portfolio are well-located in the outer north and outer north-east with low retail space per capita that support long-term organic growth for the malls

Quality assets with resilient performance

- ◆ FCT's portfolio of quality suburban retail assets remain resilient through economic cycles due to its focus on necessity spending and F&B and it offers convenience, accessibility and experiential advantages that underpin its relevance to shoppers

Pure play Singapore-centric, suburban-focused REIT

- ◆ FCT is focused on the Singapore suburban retail sector and will continue to expand its presence in this sector
