DELAY IN THE RELEASE OF THE FINANCIAL RESULTS FOR THE THREE MONTHS ENDED 31 MARCH 2026 ("1Q2026") AND FOR THE SIX MONTHS ENDED 30 JUNE 2026 ("HY2026")

---

1. Introduction

The Board of Directors (the "Board") of Advanced Systems Automation Limited (the "Company", and together with its subsidiaries, the "Group") refers to its announcement dated 20 August 2026 in relation to its responses to SGX's queries on the release of the Company's financial results for HY2026 ("20 August Announcement"). The Company wishes to inform shareholders that the Company requires more time to finalize its financial results for 1Q2026 and HY2026.

Consequently, the release of the 1Q2026 and HY2026 financial results announcement on SGXNet will be delayed beyond the timeline previously stated as 15 October 2026.

2. Reasons for the Delay

The delay is primarily attributed to the following operational and reporting constraints:

(i) Remediation and reconstitution: Following recent audit findings, corporate actions, and adjustments related to prior-year financials, the Group is in the process of strengthening its finance and accounting team after the departure of the Group Finance Manager. The Company is in the process of identifying suitable candidates to fill the position of Group Finance Manager and hopes to confirm the appointment as soon as practicable while the Company's accounts are being managed by the finance team from the Group's subsidiaries.
(ii) Complex consolidation and verification: Additional time is required for the team to complete rigorous reconciliations, substantiate consolidation adjustments, and address reporting requirements across the Group's active business segments.
(iii) Ensuring reporting accuracy: The Board has prioritized ensuring that the financial statements reflect a complete, accurate, and reliable view of the Group's financial position and operational standing before formal submission.

3. Expected timeline for release

The Company is working to expedite the finalization of the 1Q2026 and HY2026 financial results. The Company targets to release the respective financial statements on SGXNet by 31 October 2026.

4. Trading Caution

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants, or other professional advisors.

Further announcements will be made by the Company as and when there are material developments or when the release date of the financial results is finalized.
