Update on SGX's proposed acquisition of the Baltic Exchange

Singapore Exchange ("SGX") today announced that a Court hearing has been fixed for 7 November 2016 to sanction the proposed scheme of arrangement under Part 26 of the UK Companies Act ("Scheme") for the acquisition of The Baltic Exchange Limited ("Baltic Exchange").

This follows approval by the Financial Conduct Authority on 13 October 2016 of the proposed change of control of Baltic Exchange Derivatives Trading Limited, the regulated entity of the Baltic Exchange. The transaction is expected to be completed by end-November 2016.

About Singapore Exchange

Singapore Exchange is Asia's leading and trusted market infrastructure, operating equity, fixed income and derivatives markets to the highest regulatory standards. As Asia's most international, multi-asset exchange, SGX provides listing, trading, clearing, settlement, depository and data services, with about 40% of listed companies and 75% of listed bonds originating outside of Singapore.

SGX is the world's most liquid offshore market for the benchmark equity indices of China, India, Japan and ASEAN and offers commodities and currency derivatives products. Headquartered in AAA-rated Singapore, SGX is globally recognised for its risk management and clearing capabilities. For more information, please visit www.sgx.com.
