INSIDE INFORMATION
DISCONTINUATION OF THE PRINTING BUSINESS

This announcement is made by Blue Sky Power Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The business segment of sale of book and specialised products of the Group (the "**Printing Business**") is facing intense competition in the printing market. The revenue and gross profit margin from the Printing Business is constantly declining and the Printing Business incurred a segment loss of HK$9.2 million for the six months ended 30 June 2015. On the contrary, riding on the escalating demand for natural gas in the PRC for industrial, transportation and residential uses, the Group will continue to benefit from the development of the segment of sales of natural gas and other related products (the "**Natural Gas Business**"). Therefore, after review of the principal business operations of the Group, the Board has resolved to gradually fade out and discontinue the Printing Business, in order to consolidate its resources to focus on the Natural Gas Business, which is of expected high growth potentials.

It is expected that the fade out of the Printing Business can streamline the Group's business operations and also reduce the operating loss of the Group and is not expected to have any material adverse impact on the Group for the foreseeable future. Looking ahead, the Group will focus on the Natural Gas Business and continue to expand its footprints of the Natural Gas Business in the PRC.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
