## **Explanatory Notes: -**

- (a) The difference of US\$19,000 was due to FY2021 audit adjustment for under-provision of FY2021 audit fee of the Group.
- (b) The difference was due to reclassification of accounts.
- (c) The difference was due to reclassification of reversal of allowance on receivables and bad debt written off from other operating expenses.

The Company would like to highlight to shareholders that there are other reclassifications made to certain line items in the Audited Financial Statements which do not have any net impact on the Group's financial results. The Board is hence of the opinion that these reclassifications are not material, except for the adjustment and reclassifications set out in above explanatory notes.

Shareholders are advised to read the Audited Financial Statements set out in the Company's annual report for FY2021 in its entirety, which will be despatched in due course.
