

Metech International and Burpple Sign MOU to Advance Innovation in Sustainable Food and Lifestyle Commerce

Singapore, 29 July 2025 – *Metech International Ltd.* (“**Metech**”, SGX: V3M) has entered into a non-binding Memorandum of Understanding (“**MOU**”) with **Burpple 2021 Pte. Ltd.** (“**Burpple**”), one of Singapore’s leading dining discovery platforms, to jointly explore strategic collaboration in areas of digital commerce, sustainability, and consumer lifestyle innovation.

This MOU marks the beginning of a synergistic partnership between Metech and Burpple, uniting their strengths to unlock opportunities in the fast-evolving food and lifestyle ecosystem. The partnership aims to co-develop initiatives that address environmental, social, and governance (“**ESG**”) goals while enhancing digital engagement for both merchants and consumers.

Planned areas of collaboration include:

- Launching initiatives to promote the consumption of surplus meals through curated deal offerings, helping reduce food waste;
- Developing a sustainable food and lifestyle marketplace that leverages Metech’s network and Burpple’s technology and user base;
- Driving cross-promotional campaigns to grow Burpple’s dining membership programme, Burpple Beyond, across Metech’s digital platforms;
- Sharing merchant and consumer insights to inform product development and marketing strategies;
- Exploring further innovation aligned with sustainability, digital transformation, and community impact.

“We are excited to collaborate with Burpple, a homegrown platform that shares our commitment to innovation and sustainability,” said **Mr. Pang Wei Hao**, Executive Director and Chief Executive Officer of Metech International Ltd. “This partnership reflects our strategic vision of investing in meaningful, technology-driven ventures that enhance everyday lives while supporting ESG outcomes.”

Mr. Macarthur Tan, CEO of Burpple, added, “We’re proud to partner with Metech as we continue building the future of dining in Singapore. Together, we aim to create solutions that connect communities, empower F&B businesses, and promote responsible consumption.”

This collaboration is part of Metech’s ongoing corporate transformation, focusing on future-ready industries such as digital consumer platforms, ESG initiatives, and tech-enabled commerce. The MOU is effective for a period of one year, with both parties working toward furthering the partnership through further integration and pilot initiatives.

Shareholders and stakeholders should note that while the MOU expresses mutual intent, it does not constitute a binding agreement for any specific transaction at this stage. Further announcements will be made as and when material developments occur.
