BACKGROUND

On 5 March 2021, the FCA announced the future cessation or loss of representativeness of the 35 LIBOR benchmark settings currently published by ICE Benchmark Administration (“**IBA**”), the administrator of LIBOR, after taking into account the results of the consultation conducted by the IBA that closed on 25 January 2021 (the “**FCA Announcement**”). The FCA has launched a consultation on requiring the IBA to continue to publish the 1-month, 3-month and 6-month Sterling LIBOR settings for a further period following 31 December 2021 on a changed methodology (also known as a ‘synthetic’) basis. However, following the FCA Announcement, it is now certain that all Sterling LIBOR settings will no longer be representative of the underlying market following 31 December 2021.

The Bank of England and the FCA have mandated a working group to promote a broad-based transition to the Sterling Overnight Index Average (“**SONIA**”) across sterling bond, loan and derivative markets to establish SONIA as the primary sterling interest rate benchmark by the end of 2021. Following the FCA Announcement, regulators have continued to urge market participants to take active steps to implement the transition to SONIA ahead of this deadline.

On the basis that the Maturity Date (the Specified Interest Payment Date falling on or nearest to 28 February 2023) and the Extended Due for Payment Date (the Specified Interest Payment Date falling on or nearest to 28 February 2024) of the Covered Bonds fall after 2021, the Issuer has convened the Meeting for the purpose of enabling the Covered Bondholders to consider and, if they think fit, to approve the Covered Bondholder Proposal (as further described below) by way of an Extraordinary Resolution in relation to the Covered Bonds implementing a change in the Interest Basis specified in the Pricing Supplement of the Covered Bonds from ‘Sterling LIBOR’ to ‘Compounded Daily SONIA’, the corresponding amendments to the existing Covered Bond Swap Confirmation relating to the Covered Bonds and such other ancillary changes as may be approved by the Bond Trustee and/or such other relevant party as are necessary to give effect to such proposals in full.

Due to the difference in nature between ‘Sterling LIBOR’ and ‘Compounded Daily SONIA’, the replacement of Sterling LIBOR as the reference rate for the Covered Bonds will also require corresponding adjustments to the original Margin. The pricing methodology proposed for the amendment of the Margin on conversion of the Interest Basis from ‘Sterling LIBOR’ to ‘Compounded Daily SONIA’ uses market observable screen spot rates (and a forward start adjustment).

Copies of the draft Amendment Documents (as referred to in the Extraordinary Resolution below) have been reviewed by Moody’s Investors Service Limited (“**Moody’s**”) and S&P Global Ratings Services (“**S&P**” and together with Moody’s, the “**Rating Agencies**”). Each of the Rating Agencies has, based on the information provided to it, raised no comments in respect of the Covered Bondholder Proposal and/or the Amendment Documents.

COVERED BONDHOLDER PROPOSAL

Pursuant to the above, the Issuer has convened a Meeting by the above Notice to request that Covered Bondholders consider and agree by Extraordinary Resolution to the matters contained in the Extraordinary Resolution set out below.

The Issuer, under the Covered Bondholder Proposal, is requesting that the Covered Bondholders consider and if thought fit, approve the Extraordinary Resolution. If approved by the Covered Bondholders, the Extraordinary Resolution will be binding on all Covered Bondholders, including those Covered Bondholders who do not vote in favour of the Extraordinary Resolution or who abstain from voting or do not vote in connection with the Extraordinary Resolution.

In order to implement the change in the Interest Basis applicable to the Covered Bonds from ‘Sterling LIBOR’ to ‘Compounded Daily SONIA’:

- (a) The Rate of Interest for the Covered Bonds from and including the Effective Date (with the amount of interest based on such new Rate of Interest being paid on the Specified Interest Payment Date immediately following the Effective Date and on each subsequent Specified Interest Payment Date thereafter) will continue to be a floating rate and will be ‘Compounded Daily SONIA’ plus a Margin to be specified in the Amended and Restated Pricing Supplement (the “**Adjusted Margin**”). The detailed provisions relating to the calculation of ‘Compounded Daily SONIA’ are set out in Annex A to the Notice.
- (b) The Adjusted Margin in respect of the Covered Bonds shall be the sum of:
 - (i) the Sterling LIBOR vs SONIA Interpolated Basis;
 - (ii) the current margin in respect of the Covered Bonds (i.e. 0.24 per cent.); and
 - (iii) a forward adjustment spread to be determined by the Solicitation Agents in accordance with market practice, subject to a minimum of 0.00 per cent. (the “**Forward Adjustment Spread**”) at the same time that the Sterling LIBOR vs SONIA Interpolated Basis is determined on the

Pricing Date and announced in conjunction with the publication of the Sterling LIBOR vs SONIA Interpolated Basis.

The detailed provisions relating to the adjustment of the Margin and the calculation of the Sterling LIBOR vs SONIA Interpolated Basis by the Solicitation Agents are set out in Annex B to the Notice.

The Adjusted Margin (which includes the Sterling LIBOR vs SONIA Interpolated Basis and the Forward Adjustment Spread) will be announced to Covered Bondholders in accordance with Condition 15 (*Notices*) as soon as practicable following the Pricing Time.

For the avoidance of doubt, the reference rate applicable to the Covered Bonds up to but excluding the Effective Date will continue to be ‘Sterling LIBOR’ and the interest payment made on the Effective Date will not be affected by the pricing methodology described herein.

If there is an adjourned Meeting and to the extent that the Consent Solicitation is not otherwise terminated, the Adjusted Margin may be different to the amounts which would be calculated if the Extraordinary Resolution was passed at the initial Meeting. It is also proposed that the existing Covered Bond Swap Confirmation in respect of the Covered Bonds will be amended and restated between the Issuer (in its capacity as the Covered Bond swap provider) and the CBG pursuant to the Amended and Restated Covered Bond Swap Confirmation due to the expected discontinuation and/or loss of representativeness of ‘Sterling LIBOR’. The Amended and Restated Covered Bond Swap Confirmation contains consequential changes to facilitate the change from ‘Sterling LIBOR’ to ‘Compounded Daily SONIA’.

The Extraordinary Resolution, if passed, constitutes (amongst others) a direction by the Covered Bondholders to the Bond Trustee and the Security Trustee to consent to and to concur in the amendments to the Amended and Restated Pricing Supplement, the Conditions of the Covered Bonds, the Supplemental Trust Deed, the Amended and Restated Covered Bond Swap Confirmation and such other ancillary changes as may be approved by the Bond Trustee and/or such other relevant party as are necessary to implement relevant changes to the Covered Bonds and the related swap transaction in order to change the Interest Basis from ‘Sterling LIBOR’ to ‘Compounded Daily SONIA’, as more fully set out in the Amendment Documents and as may be necessary to give effect to the Covered Bondholder Proposal.

The Covered Bondholder Proposal is being put to Covered Bondholders for the reasons set out in the Consent Solicitation Memorandum.

Covered Bondholders are referred to the Consent Solicitation Memorandum which provides further background to the Covered Bondholder Proposal and the reasons therefor.

CONSENT SOLICITATION

Covered Bondholders are further given notice that the Issuer has invited holders of the Covered Bonds (such invitation a “**Consent Solicitation**”) to consent to the approval, by Extraordinary Resolution at the Meeting, of the modification of the Conditions relating to the Covered Bonds as described in paragraph 1 of the Extraordinary Resolution set out below, all as further described in the Consent Solicitation Memorandum (as defined in paragraph 11 of the Extraordinary Resolution set out below).

The Consent Solicitation Memorandum and any other documents or materials relating to the Consent Solicitation are only for distribution or to be made available to persons who are (i) located and resident outside the United States, its territories and possessions and who are not U.S. persons (as defined in Regulation S under the United States Securities Act of 1933, as amended (the “**Securities Act**”)) or acting for the account or benefit of any U.S. person, (ii) eligible counterparties or professional clients (each as defined in the UK FCA Handbook Conduct of Business Sourcebook (“**COBS**”), Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended) (the “**UK MiFIR**”) or Directive 2014/65/EU (as amended, “**MiFID II**”), as applicable) and, if applicable and acting on a non-discretionary basis, who is acting on behalf of a beneficial owner that is also an eligible counterparty or a

professional client, in each case in respect of the Covered Bonds and (iii) otherwise a person to whom the Consent Solicitation can be lawfully made and that may lawfully participate in the Consent Solicitation (all such persons “**Eligible Covered Bondholders**”).

Subject to the restrictions described in the previous paragraph, Eligible Covered Bondholders may obtain from the date of this Notice a copy of the Consent Solicitation Memorandum from the Tabulation and Information Agent, the contact details for which are set out below. In order to receive a copy of the Consent Solicitation Memorandum, a Covered Bondholder will be required to provide confirmation as to his or her status as an Eligible Covered Bondholder.

However, any Ineligible Covered Bondholder may deliver, or arrange to have delivered on its behalf, a valid Ineligible Covered Bondholder Instruction (as defined below).

In respect of any Covered Bonds held through Euroclear Bank SA/NV (**“Euroclear”**) or Clearstream Banking, S.A. GENERAL INFORMATION

The attention of Covered Bondholders is particularly drawn to the quorum required for the Covered Bondholders Meeting and for any adjourned Meeting which is set out in paragraphs 1, 2, 3, 4, 5 and 6 of “– Voting and Quorum” below. Having regard to such requirements, Covered Bondholders are strongly urged to either attend (via videoconference or failing which teleconference) the Meeting or take steps to be represented at the Meeting, as referred to below, as soon as possible and in any case prior to the Expiration Deadline.

Due to the ongoing COVID-19 pandemic and in order to comply with the current (and/or future) measures imposed by relevant government to combat virus transmission, including restrictions on public gatherings, social distancing and restrictions on non-essential travel, the Meeting will be held via videoconference (failing which, teleconference) rather than at a designated place or address.

Those Covered Bondholders who have indicated that they wish to attend the Meeting (being held via videoconference (failing which, teleconference)) will be provided with further details about attending the Meeting.

Covered Bondholders who request that their votes are included in a valid electronic voting instruction to the relevant clearing system (a “Consent Instruction”) instructing the Registered Holder to appoint one or more representatives of the Tabulation and Information Agent as its proxy to attend the Meeting (and any adjourned Meeting) and to vote or to abstain from voting in the manner specified or identified in such Consent Instruction will be unaffected by the electronic format of the Meeting (and any adjourned Meeting) and will not be requested to take any further action. The Issuer will procure that appropriate steps are taken to ensure that only those who would otherwise be entitled to attend and vote at a physical meeting will be entitled to attend the videoconference (failing which, teleconference).

VOTING AND QUORUM

Covered Bondholders who have submitted and not revoked (in the limited circumstances in which revocation is permitted) a valid Consent Instruction or Ineligible Covered Bondholder Instruction in respect of the

*Extraordinary Resolution which is received by the Tabulation and Information Agent by 10 a.m. (London time) (5 p.m. (Singapore time)) on 28 June 2021 (the “**Expiration Deadline**”), by which they will have given instructions for the appointment of one or more representatives of the Tabulation and Information Agent by the Registered Holder as their proxy to vote or to abstain from voting in the manner specified or identified in such Consent Instruction or Ineligible Covered Bondholder Instruction at the Meeting (or any adjourned such Meeting), need take no further action to be represented at the Meeting (or any such adjourned Meeting).*

Covered Bondholders who have not submitted, or who have submitted and revoked, a Consent Instruction or Ineligible Covered Bondholder Instruction in respect of the Extraordinary Resolution by the Expiration Deadline should take note of the provisions set out below detailing how such Covered Bondholders can attend or take steps to be represented (via videoconference (failing which, teleconference)) at the Meeting (references to which, for the purposes of such provisions, include, unless the context otherwise requires, any adjourned such Meeting).

1. The provisions governing the convening and holding of the Meeting are set out in Schedule 3 (*Provisions for Meetings of Covered Bondholders*) to the Trust Deed, a copy of which is available for inspection by the Covered Bondholders from the Tabulation and Information Agent at <https://deals.lucid-is.com/uob> up to and including the date of the Meeting and at the Meeting.

A. COVID-19

Due to the ongoing COVID-19 pandemic and in order to comply with the current (and/or future) measures imposed by relevant government to combat virus transmission, including restrictions on public gatherings, social distancing and restrictions on non-essential travel, the Meeting will be held via videoconference (failing which, teleconference) rather than at a designated place or address.

Under the Trust Deed, subject to all other provisions therein, the Bond Trustee may prescribe such further regulations regarding the holding of meetings of Covered Bondholders and attendance and voting at them as the Bond Trustee may in its sole discretion determine.

All references in this Notice to attendance or voting “in person” shall refer to the attendance or voting at the Meeting by way of the videoconference (failing which, teleconference) facility.

The Meeting will be held via videoconference (failing which, teleconference) using a platform hosted by the chairman of the Meeting to allow attendees to participate electronically. Details for accessing the Meeting (or any adjourned Meeting) will be made available to proxies who have been duly appointed under a form of proxy or forms of proxy issued by the Registered Holder in accordance with the procedures set out in this Notice. Such proxies should contact the Tabulation and Information Agent (whose contact details are set out in this Notice) at least 24 hours before the Meeting in order to ensure that they are provided with the necessary information for attending and communicating their votes during the Meeting via videoconference (failing which, teleconference).

B. Voting procedures for the Meeting

All of the Covered Bonds are represented by a global certificate and are held by and registered in the name of BT Globenet Nominees Limited (the “**Registered Holder**”) as a nominee of the common depositary for Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking, S.A. (“**Clearstream**”).

Each person who is the owner of a particular nominal amount of the Covered Bonds through Euroclear, Clearstream (a “**beneficial owner**”) or who is for the time being shown in the records of Euroclear or Clearstream as the holder of a particular nominal amount the Covered

Bonds (“a **“Direct Participant”**”), should note that such person will not be a Covered Bondholder for the purposes of this Notice and will only be entitled to attend (via videoconference (failing which, teleconference)) and vote at the Meeting or appoint a proxy to do so in accordance with the procedures set out below. .

The Registered Holder may by instrument in writing (a **“form of proxy”**) in the form available from the specified office of the Tabulation and Information Agent specified below signed by the Registered Holder and delivered to the specified office of the Transfer Agent not less than 48 hours before the time fixed for the Meeting, appoint a proxy (a **“proxy”**) to act on his or its behalf in connection with the Meeting (or any adjourned such Meeting). A proxy so appointed shall so long as such appointment remains in force be deemed, for all purposes in connection with the meeting to be the holder of the Covered Bonds to which such appointment relates and the Registered Holder of the Covered Bonds shall be deemed for such purposes not to be the holder.

A Direct Participant or beneficial owner of Covered Bonds wishing to attend or to appoint another person (other than the Tabulation and Information Agent) to be appointed (by the Registered Holder) as their proxy to attend (via videoconference (failing which, teleconference)) the Meeting in person must produce at the Meeting a valid form of proxy issued by the Registered Holder relating to the Covered Bonds in respect of which such Direct Participant or beneficial owner wishes to vote. Such Direct Participants and beneficial owners should contact the relevant Clearing System to make arrangements for such person to be appointed as a proxy (by the Registered Holder) in respect of the Covered Bonds in which they have an interest for the purposes of attending and voting at the Meeting (or any adjourned such Meeting).

A Direct Participant not wishing to attend (via videoconference (failing which, teleconference)) the Meeting in person may (or the beneficial owner of the relevant Covered Bonds may arrange for the relevant Direct Participant on its behalf to) submit valid Consent Instructions and instruct the Registered Holder to appoint one or more representatives of the Tabulation and Information Agent as its proxy to attend (via videoconference (failing which, teleconference)) the Meeting (and any adjourned Meeting) and to vote or to abstain from voting in the manner specified or identified in such Consent Instructions in respect of the Extraordinary Resolution.

Where a beneficial owner is not a Direct Participant it will need to make the necessary arrangements, either directly or with the intermediary through which it holds its Covered Bonds, for the Direct Participant to complete these procedures on its behalf by all applicable deadlines

Beneficial owners or their Direct Participants must have made arrangements to vote with the relevant Clearing System by not later than 48 hours before the time fixed for the Meeting (or any adjourned such Meeting) and within the relevant time limit specified by the relevant Clearing System (who may set a significantly earlier deadline) and request or make arrangements for the relevant Clearing System to block the Covered Bonds in the relevant Direct Participant’s account and to hold the same to the order or under the control of the Issuing and Paying Agent.

Covered Bonds blocked as set out above will not be released until the earlier of (i) the date on which the relevant electronic voting and blocking instruction is validly revoked (including its automatic revocation on the termination of the Consent Solicitation); (ii) the conclusion of the Meeting (or, if applicable, any adjourned such Meeting); and (iii) not less than 48 hours before the time for which the Meeting (or, if applicable, any adjourned such Meeting) is convened, the notification in writing of any revocation of a Direct Participant’s previous instructions to the relevant Paying Agent.

Any electronic voting instructions given or forms of proxy submitted may not be revoked during the period starting 48 hours before the time fixed for the Meeting (or any adjourned such Meeting) and ending at the conclusion of such Meeting.

Covered Bondholders should note that the timings and procedures set out below reflect the requirements for Covered Bondholders' meetings set out in the Trust Deed, but that the Clearing Systems and the relevant intermediaries may have their own additional requirements as to timings and procedures for voting on the Extraordinary Resolution. Accordingly, Covered Bondholders wishing to vote in respect of the Extraordinary Resolution are strongly urged either to contact their custodian (in the case of a beneficial owner whose Covered Bonds are held in book-entry form by a custodian) or the relevant Clearing System (in the case of a Covered Bondholder whose Covered Bonds are held in book-entry form directly in the relevant Clearing System), as soon as possible.

2. The quorum at any Meeting for passing an Extraordinary Resolution shall (subject as provided below) be two or more Covered Bondholders holding or representing or being proxies or representatives and holding or representing in aggregate not less than 75 per cent. of the aggregate Nominal Amount Outstanding of the Covered Bonds (where for the avoidance of doubt, abstention votes shall count towards the quorum). If a quorum is not present within 15 minutes after the time fixed for a Meeting, the Meeting will be adjourned for such period being not less than 14 days nor more than 42 days, to be held via videoconference (failing which, teleconference). In addition, in the event that the quorum required for, and the requisite majority of votes cast at, the Meeting is satisfied but the Eligibility Condition in respect of such Meeting is not satisfied, the chairman of the Meeting (with the approval of the Bond Trustee) will adjourn the Meeting for such period being not less than 14 days nor more than 42 days, to be held via videoconference (failing which, teleconference). The Extraordinary Resolution will be considered at an adjourned Meeting (notice of which will be given to the Covered Bondholders). At any adjourned Meeting, two or more Covered Bondholders holding or being proxies or representatives and holding or representing in aggregate not less than 25 per cent. of the aggregate Nominal Amount Outstanding of the Covered Bonds shall (subject as provided below) form a quorum and a majority in favour consisting of at least 75 per cent. of the votes cast at such adjourned meeting shall have the power to pass the Extraordinary Resolution. For the avoidance of doubt, votes cast do not include abstention votes.
3. To be passed at the Meeting, the Extraordinary Resolution requires a majority in favour consisting of at least 75 per cent. of the votes cast. For the avoidance of doubt, votes cast do not include abstention votes. The question submitted to the Meeting shall be decided in the first instance by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman of the Meeting, the Issuer, the CBG, the Bond Trustee or one or more persons representing 2 per cent. of the Covered Bonds. A declaration by the Chairman that a resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
4. Any nominal amount the Covered Bonds held by or on behalf of the Issuer, the Issuer's affiliates or the CBG will be deemed not to remain outstanding for the purposes of the right to vote at the Meeting
5. The implementation of the Consent Solicitation and the Extraordinary Resolution will be conditional on:
 - (a) the passing of the Extraordinary Resolution; and
 - (b) the quorum required for, and the requisite majority of votes cast at, the Meeting being satisfied by Eligible Covered Bondholders, irrespective of any participation at the Meeting by Ineligible Covered Bondholders, including the satisfaction of such condition at an adjourned Meeting) (the "**Eligibility Condition**"),

(together, the “**Consent Conditions**”).

6. If passed, the Extraordinary Resolution will be binding upon all the Covered Bondholders whether or not present at the Meeting and whether or not voting.

(x) **Compounded Daily SONIA:** For each Floating Rate Covered Bond where the Reference Rate is specified as being Compounded Daily SONIA in the applicable Pricing Supplement, the Rate of Interest for each Interest Accrual Period from and including the Effective Date will, subject as provided below, be equal to Compounded Daily SONIA plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any).

(1) For the purposes of this Condition 4(b)(iii)(D):

“**Compounded Daily SONIA**” means, with respect to an Interest Accrual Period, the rate of return of a daily compound interest investment (with the daily Sterling Overnight Index Average (“**SONIA**”) rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Pricing Supplement) on the relevant Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{\text{SONIA}_i \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” means the number of calendar days in the relevant Interest Accrual Period;

“**d_o**” means the number of London Banking Days in the relevant Interest Accrual Period

“**i**” means, for the relevant Interest Accrual Period, a series of whole numbers from one to d_o, each representing the relevant London Banking Day in chronological order from (and including) the first London Banking Day in such Interest Accrual Period;

“**London Banking Day**” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“**n_i**” means, for any London Banking Day “**i**”, the number of calendar days from (and including) such London Banking Day “**i**” up to (but excluding) the following London Banking Day;

“**SONIA_i**” means, in respect of any London Banking Day “*i*” in the relevant Interest Accrual Period, the SONIA Reference Rate for the SONIA Determination Date in relation to such London Banking Day “*i*”;

“**SONIA Determination Date**” means, in respect of any London Banking Day “*i*”, the London Banking Day falling five London Banking Days prior to such London Banking Day “*i*”; and

“**SONIA Reference Rate**” means, in respect of any London Banking Day, a reference rate equal to the daily SONIA rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors) on the London Banking Day immediately following such London Banking Day.

- (2) Subject to Condition 4(b)(iii)(D)(aa), if, in respect of the determination of SONIA_i for any London Banking Day in the relevant Interest Accrual Period, the Calculation Agent determines that the relevant SONIA Reference Rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA Reference Rate shall be:
 - (A) the Bank of England’s Bank Rate (the “**Bank Rate**”) prevailing at 5.00 p.m. (or, if earlier, close of business) on the relevant London Banking Day; plus
 - (B) the mean of the spread of the SONIA Reference Rate to the Bank Rate over the previous five days on which a SONIA Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.
- (y) **Fallback:** In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent, subject to Condition 4(b)(iii)(D)(aa), the Rate of Interest shall be that determined as at the last preceding Interest Determination Date.
- (z) **Acceleration upon Default:** If the Covered Bonds become due and payable in accordance with Condition 9 (*Events of Default*), the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Pricing Supplement, be deemed to be the date on which such Covered Bonds became due and payable (with corresponding adjustments being deemed to be made to the Compounded Daily SONIA formula) and the Rate of Interest on such Covered Bonds shall, for so long as any such Covered Bond remains outstanding, be that determined on such date.
- (aa) **Benchmark Replacement:** If a Benchmark Event has occurred in relation to Compounded Daily SONIA when any Rate of Interest (or the relevant component part thereof) remains to be determined by such Reference Rate, then the following provisions shall apply:
 - (1) if there is a Successor Rate prior to the relevant Interest Determination Date relating to the next succeeding Interest Period, the Issuer shall promptly give notice thereof to the Bond Trustee, the Calculation Agent, the Issuing and Paying Agent and the Covered Bondholders, which shall specify the effective

date(s) for such Successor Rate and any consequential changes made to these Conditions. The Calculation Agent or such party responsible for determining the Rate of Interest shall apply such Successor Rate on the relevant Interest Determination Date relating to the next succeeding Interest Period for purposes of determining the Rate of Interest (or the relevant component part thereof) applicable to the Covered Bonds;

- (2) if there is no Successor Rate prior to the relevant Interest Determination Date relating to the next succeeding Interest Period, the Issuer shall determine (acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may at its discretion include consultation with an Independent Adviser) an Alternative Reference Rate (as defined below) for purposes of determining the Rate of Interest (or the relevant component part thereof) applicable to the Covered Bonds and shall promptly give notice thereof to the Bond Trustee, the Calculation Agent, the Issuing and Paying Agent and the Covered Bondholders, which shall specify the effective date(s) for such Alternative Reference Rate and any consequential changes made to these Conditions. The Calculation Agent or such party responsible for determining the Rate of Interest shall apply such Alternative Reference Rate on the relevant Interest Determination Date relating to the next succeeding Interest Period for purposes of determining the Rate of Interest (or the relevant component part thereof) applicable to the Covered Bonds;
- (3) if a Successor Rate or, failing which, an Alternative Reference Rate (as applicable) is notified by the Issuer to the Bond Trustee, the Calculation Agent, the Issuing and Paying Agent and the Covered Bondholders in accordance with the preceding provisions, such Successor Rate or, failing which, an Alternative Reference Rate (as applicable) shall be the Reference Rate for each of the future Interest Periods (subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(b)(iii)(D)(aa); provided, however, that if paragraph (1) or (2) applies and the Issuer does not notify the Bond Trustee, the Calculation Agent, the Issuing and Paying Agent and the Covered Bondholders a Successor Rate or an Alternative Reference Rate prior to the relevant Interest Determination Date relating to the next succeeding Interest Period, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Covered Bonds in respect of the preceding Interest Period (or alternatively, if there has not been a first Interest Payment Date, the rate of interest shall be the initial Rate of Interest (if any)); for the avoidance of doubt, the proviso in this paragraph (3) shall apply to the relevant Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(b)(iii)(D)(aa);
- (4) if a Successor Rate or, failing which, an Alternative Reference Rate (as applicable) is notified by the Issuer to the Bond Trustee, the Calculation Agent, the Issuing and Paying Agent and the Covered Bondholders in accordance with the above provisions, the Issuer may also specify changes to these Conditions, including but not limited to the Day Count Fraction, Relevant Screen Page, Business Day Convention, Business Days, Interest Determination Date and/or the definition of Reference Rate applicable to the Covered Bonds, and the method for determining the fallback rate in relation

to the Covered Bonds, in order to follow market practice in relation to the Successor Rate or the Alternative Reference Rate (as applicable); and

- (3) if the Issuer (acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may at its discretion include consultation with an Independent Adviser) determines that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Reference Rate (as applicable) and determines the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Reference Rate (as applicable). If the Issuer is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Successor Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread. For the avoidance of doubt, the Bond Trustee and Issuing and Paying Agent shall, at the direction and expense of the Issuer, effect such consequential amendments to the Trust Deed, the Agency Agreement and these Conditions (such amendments, the “**Benchmark Amendments**”) as may be required in order to give effect to this Condition 4(b)(iii)(D)(aa). Covered Bondholders’ consent shall not be required in connection with effecting the Successor Rate or Alternative Reference Rate (as applicable) or such other changes, including for the execution of any documents or other steps by the Bond Trustee or Issuing and Paying Agent (if required).

- (6) For the purposes of this Condition 4(b)(iii)(D)(aa):

“**Adjustment Spread**” means a spread (which may be positive or negative) or formula or methodology for calculating a spread, which the Issuer (acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may at its discretion include consultation with an Independent Adviser) determines is required to be applied to the Successor Rate or the Alternative Reference Rate (as applicable) in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to Covered Bondholders as a result of the replacement of the current Reference Rate with the Successor Rate or the Alternative Reference Rate (as applicable) and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the current Reference Rate with the Successor Rate by any Relevant Nominating Body;
- (B) in the case of a Successor Rate for which no such recommendation has been made or in the case of an Alternative Reference Rate, the Issuer (acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may at its discretion include consultation with an Independent Adviser) determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the current Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Reference Rate (as applicable); or
- (C) if no such customary market usage is recognised or acknowledged, the Issuer in its discretion determines (acting in good faith and in a

commercially reasonable manner, which may include consultation with an Independent Adviser) to be appropriate;

“Alternative Reference Rate” means the rate that the Issuer (acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser) determines has replaced the current Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest in respect of bonds denominated in the Specified Currency and of a comparable duration to the relevant Interest Period, or, if the Issuer determines that there is no such rate, such other rate as the Issuer determines in its discretion (acting in good faith and in a commercially reasonable manner and by reference to such sources as it deems appropriate, which may include consultation with an Independent Adviser) is most comparable to the current Reference Rate;

“Benchmark Event” means the earlier to occur of:

- (A) the current Reference Rate ceasing to exist or be published;
- (B) the later of (i) the making of a public statement by the administrator of the current Reference Rate that it will, by a specified date, cease publishing the current Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the current Reference Rate) and (ii) the date falling six months prior to such specified date;
- (C) the making of a public statement by the supervisor of the administrator of the current Reference Rate that the current Reference Rate has been permanently or indefinitely discontinued or is prohibited from being used or that its use is subject to restrictions or adverse consequences or, where such discontinuation, prohibition, restrictions or adverse consequences are to apply from a specified date after the making of any public statement to such effect, the later of the date of the making of such public statement and the date falling six months prior to such specified date; and
- (D) it has or will prior to the next Interest Determination Date become unlawful for the Calculation Agent, any Paying Agent, (if specified in the applicable Pricing Supplement) such other party responsible for the calculation of the Rate of Interest, or the Issuer to determine any Rate of Interest and/or calculate any Interest Amount using the current Reference Rate specified in the applicable Pricing Supplement (including, without limitation, under Regulation (EU) No. 2016/1011, if applicable);

“Relevant Nominating Body” means, in respect of a Reference Rate:

- (A) the central bank for the currency to which the Reference Rate relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the Reference Rate; or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (i) the central bank for the currency

to which the Reference Rate relates, (ii) any central bank or other supervisory authority which is responsible for supervising the administrator of the Reference Rate, (iii) a group of the aforementioned central banks or other supervisory authorities, or (iv) the Financial Stability Board or any part thereof; and

“Successor Rate” means the rate that is a successor to or replacement of the current Reference Rate which is formally recommended by any Relevant Nominating Body.

ANNEX B

MARGIN ADJUSTMENT

1. Rationale for the Covered Bondholder Proposal

The pricing methodology proposed for the amendment of the Margin on conversion of the Interest Basis from ‘Sterling LIBOR’ to ‘Compounded Daily SONIA’ uses market observable screen spot rates.

The date from which the proposed change in reference rate is to occur will be the Effective Date (which shall be 31 August 2021).

The determination of the relevant market observable screen spot rates will take place at or around 2 p.m. (London time) (9 p.m. (Singapore time)) the “**Pricing Time**”) on 30 June 2021 (the “**Pricing Date**”, except where there is an adjournment of the Meeting, in which case the Pricing Date will be specified in the notice of the adjourned Meeting).

For the avoidance of doubt, the reference rate applicable to the Covered Bonds up to but excluding the Effective Date will continue to be ‘Sterling LIBOR’.

If there is an adjourned Meeting and to the extent that the Consent Solicitation is not otherwise terminated, the Adjusted Margin may be different to the amounts which would be calculated if the Extraordinary Resolution was passed at the initial Meeting.

If the initial Meeting is adjourned due to the quorum not being met, the Issuer may elect to terminate the Consent Solicitation prior to the adjourned Meeting with the result that the Covered Bondholder Proposal is not adopted (as implementation of the Extraordinary Resolution is conditional on the Consent Solicitation not having been terminated).

2. The Adjusted Margin

The Adjusted Margin in respect of the Covered Bonds shall be the sum of:

- (a) the Sterling LIBOR vs SONIA Interpolated Basis;
- (b) the current margin in respect of the Covered Bonds (i.e. 0.24 per cent.); and
- (c) a Forward Adjustment Spread to be determined by the Solicitation Agents in accordance with market practice, subject to a minimum of 0.00 per cent (the “**Forward Adjustment Spread**”). The Forward Adjustment Spread will be determined at the same time that the Sterling LIBOR vs SONIA Interpolated Basis is determined on the Pricing Date and announced in conjunction with the publication of the Sterling LIBOR vs SONIA Interpolated Basis,

where:

“**Sterling LIBOR vs SONIA Interpolated Basis**” is a number of basis points rounded to the nearest 0.1 basis points (with 0.05 basis points rounded upwards) as calculated by the Solicitation Agents on the Pricing Date by means of linear interpolation to the Maturity Date of the 1 Year Sterling LIBOR vs SONIA Basis v the 2 Year Sterling LIBOR vs SONIA Basis as follows:

On the Pricing Date the Solicitation Agents will determine:

- (i) the 1 Year Sterling LIBOR vs SONIA Basis (as quoted on the Bloomberg page ICAB9 at or around the Pricing Time), or such other page as may replace it on that information service, or on such similar or replacement service as may be determined by the Solicitation Agents; and

- (ii) the 2 Year Sterling LIBOR vs SONIA Basis (as quoted on the Bloomberg page ICAB9 at or around the Pricing Time) or such other page as may replace it on that information service, or on such similar or replacement service as may be determined by the Solicitation Agents.

In the event that the relevant rate does not appear on the relevant screen page at any relevant time, the Solicitation Agents shall inform the Issuer forthwith, and the Issuer and the Solicitation Agents shall discuss, in good faith, the alternatives.

Thereafter the Solicitation Agents will calculate the linear interpolation to the Maturity Date of the Covered Bonds (being the Sterling LIBOR vs SONIA Interpolated Basis) by:

- (iii) subtracting (i) above from (ii) above and multiplying the result of such subtraction by the Maturity Weight (and rounding the result of such multiplication to the nearest 0.1 basis points); and
- (iv) adding (i) above to the result calculated in accordance with subparagraph (iii) above,

and for the purposes of this calculation:

“Maturity Weight” means the amount, expressed as a percentage, calculated by dividing the actual number of days from (and including) the date falling exactly 1 year after the Pricing Date to (but excluding) the Maturity Date of the Covered Bonds by 365; and

“Forward Adjustment Spread” is a number calculated by the Solicitation Agents in accordance with market practice, reflecting the forward starting nature of the next Specified Interest Payment Date relative to the Pricing Date, being the amount so calculated by the Solicitation Agents at or around the Pricing Time on the Pricing Date (and subject to a minimum of 0.00 per cent.) and announced to Covered Bondholders in accordance with Condition 15 (*Notices*) as soon as practicable following the Pricing Time.

The Adjusted Margin will be announced to Covered Bondholders in accordance with Condition 15 (*Notices*) as soon as practicable following the Pricing Time.

In making any determinations and calculations as described in this Consent Solicitation Memorandum, each Solicitation Agents shall act in good faith and in a commercially reasonable manner but shall have no liability whatsoever for any determination or calculation made by it or any determination otherwise made in connection with the Covered Bonds, save in the case of bad faith, gross negligence or wilful misconduct by either Solicitation Agent which has been judicially and finally determined.
