CYBERSECURITY INCIDENT

The board of directors (the “**Board**”) of Enviro-Hub Holdings Ltd (the “**Company**”, and together with its subsidiaries the “**Group**”) wishes to announce that the Group was recently the subject of a ransomware incident where an unknown party has gained unauthorised access to the Group’s servers (the “**Incident**”).

Upon discovery of the Incident, the Group had immediately implemented containment and remediation measures, and engaged external experts to investigate and address the Incident. Based on the Group’s preliminary assessment and information available to the Group as at the date of this announcement, the Incident has not had any material impact on the Group’s business operations. The Group is still assessing the situation and investigations are ongoing. The Group will provide further updates if there are any new material developments relating to the Incident.

The Group has lodged the necessary report with the Personal Data Protection Commission Singapore (“**PDPC**”).

Shareholders and potential investors are advised to read this announcement and any further announcements by the Company carefully. Shareholders and potential investors of the Company are advised to refrain from taking any action with respect to their securities in the Company which may be prejudicial to their interests, and to exercise caution when dealing or trading in the shares of the Company. Shareholders and potential investors who are in any doubt about the contents of this announcement or as to the action they should take, should consult their stockbroker, bank manager, solicitor, accountant, or other professional advisers immediately.

BY ORDER OF THE BOARD

RAYMOND NG
Executive Chairman
