DIRECTOR RETIREMENT

BlueScope today announced that Mr Lloyd Jones has advised his intention to retire from the Board at the Company's Annual General Meeting which is being held on 21 November 2019.

Mr Jones was appointed to the Board on 2 September 2013.

BlueScope Chairman John Bevan said "Together with the rest of the Board I'd like to thank Lloyd for his invaluable service to BlueScope over a number of years. He has been a highly valued Board member and more recently Chair of the Health, Safety and Environment Committee. His significant experience in heavy industrial operations and manufacturing in Australia, Asia and North America, combined with his broad commercial and transactional experience has been a great asset to the Board whilst it went through its period of renewal and beyond.

"On behalf of the Board, I wish Lloyd well in his retirement," Mr Bevan said.
