SGX Stock Exchange welcomes HomesToLife Ltd to Mainboard

SGX Stock Exchange congratulates HomesToLife Ltd (HomesToLife) on its successful secondary listing on Mainboard under the stock code “RVS”. HomesToLife is primary listed on the Nasdaq Stock Market (NASDAQ: HTLM).

Headquartered in Singapore, HomesToLife is a global home furniture company with 50 years of heritage. It operates an integrated supply chain model supporting three core business divisions: export, leather trading and retail. HomesToLife manages six furniture brands, including Domicil, Fabbrica, Corium, HomesToLife, RelaxStudio and Gallery. It supplies wholesale customers and distributors across 50 countries, alongside operating its own retail stores in Singapore and South Korea.

Phua Mei Ming, Chief Executive Officer, HomesToLife Ltd, said, “Our listing on SGX marks a proud milestone for HomesToLife as we bring our growth journey back to where it all began. Building on our 50-year heritage in the furniture industry and our Nasdaq listing, this dual listing reinforces our commitment to Singapore while strengthening our access to investors across the United States and APAC markets. As we continue to expand our global presence, we look forward to leveraging this platform to unlock new opportunities and create long-term value for our shareholders.”

Pol de Win, Head of Global Sales and Origination, SGX Group, said, “HomesToLife’s listing on SGX marks an exciting milestone in bridging Asian and international capital. This listing connects an established Singapore brand with its home market, offering regional investors direct participation in its continuing growth journey.”

HomesToLife Ltd opened at S$1.15 today.

The Company operates through three core business divisions: (i) export division for supplying furniture to wholesale customers such as retailers and distributors worldwide, (ii) leather trading division and (iii) retail division with direct retail operations in Singapore and South Korea.

Across these business divisions, the Company operates an integrated supply chain model that encompasses product design and development, sourcing from the Company's manufacturing partners, and the coordination of logistics and distribution channels. This operating model enables the Company to translate designs into production-ready products efficiently, supporting both branded and white-label offerings, and allows the Company to deliver scale and consistency across multiple markets.

About SGX Group (Singapore Exchange)
