

*For Immediate Release*

## PROPOSED DIVESTMENT OF A PROPERTY IN SINGAPORE

**Singapore, 16 December 2024** – Mapletree Logistics Trust Management Ltd., as manager (the “Manager”) of Mapletree Logistics Trust (“MLT” or the “Trust”), would like to announce that HSBC Institutional Trust Services (Singapore) Limited (in its capacity as trustee of MLT) has entered into a Purchase Agreement with an unrelated third party for the proposed divestment of 1 Genting Lane in Singapore (“the Property”) at a sale price of S\$12.3 million. JTC Corporation has granted in-principle approval for the transaction subject to the parties complying with the stipulated conditions.

The proposed divestment is in line with the Manager’s efforts to rejuvenate its portfolio through selective divestments of assets that are no longer aligned with its strategy. Capital released from the divestment will provide MLT with greater financial flexibility to pursue investment opportunities in high specification, modern logistics facilities with higher growth potential.

The Property is a 36-year old industrial building comprising a seven-storey warehouse with an office and showroom. It has a net lettable area of approximately 6,050 square metres (“sqm”) on a land site of around 3,372 sqm. The sale price of S\$12.3 million is 35.2% above the latest valuation of S\$9.1 million as at 1 October 2024.

The proposed divestment is expected to be completed by 1Q FY25/26. It is not expected to have a material impact on MLT’s net asset value and net property income for FY25/26. Following the divestment, MLT’s portfolio will consist of 179 properties<sup>1</sup>.

### Important Notice

This Announcement is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for units in MLT ("Units"). The value of Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders of MLT may only deal in their Units through trading on the Singapore Exchange Securities Trading Limited ("SGX-ST"). Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units. The past performance of MLT is not necessarily indicative of its future performance. This release may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses, including employee wages, benefits and training, property expenses and governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. You are cautioned not to place undue reliance on these forward looking statements, which are based on current view of management on future events.
