**EXPLANATORY NOTES:**

- (1) The Resolution 2 in item 2 above, if passed, will facilitate the payment of Directors' fees of S\$571,450/- for the financial year ending 31 December 2017 on a quarterly basis in arrears. The amount of Directors' fees is computed based on the anticipated number of Board and Board Committee meetings for the financial year ending 31 December 2017, including attendances and the positions held by the Non-Executive Directors in various board committees, and assuming that all Non-Executive Directors will hold office for the full financial year. In the event the amount of Directors' fees proposed is insufficient, for example, in the event of unscheduled Board meetings or enlarged board sizes, approval will be sought at next year's annual general meeting for additional fees before payments are made to Directors to meet the shortfall.
- (2) The Resolution 6 in item 7 above, if passed, will empower the Directors of the Company, from the date of the AGM until the conclusion of the next annual general meeting of the Company, or the date by which the next annual general meeting of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to allot and issue Shares, make or grant Instruments and to issue Shares pursuant to such Instruments, without seeking any further approval from shareholders in general meeting but within the limitation imposed by this Resolution, for such purposes as the Directors of the Company may consider would be in the best interests of the Company. The aggregate number of Shares (including Shares to be made in pursuance of Instruments made or granted pursuant to this Resolution) to be allotted and issued would not exceed one hundred per cent (100%) of the total number of issued Shares (excluding treasury shares) at the time of passing of this Resolution. For issue of Shares

(including Shares to be made in pursuance of instruments made or granted pursuant to this Resolution) other than on a pro-rata basis to all shareholders shall not exceed fifty per cent (50%) of the total number of issued Shares (excluding treasury shares) at the time of the passing of this Resolution.

- (3) The Resolution 7 in item 8 above, if passed, will empower the Directors, from the date of the AGM until the conclusion of the next annual general meeting of the Company, or the date by which the next annual general meeting of the Company is required by law to be held or such authority is varied and revoked by the Company in a general meeting, whichever is the earlier, to allot and issue Shares pursuant to the exercise of Options granted or to be granted under the Share Option Scheme and such other share-based incentive scheme or share plan up to a number not exceeding, in total, fifteen per cent (15%) of the total number of issued Shares (excluding treasury shares) on the day preceding that date of the relevant grant.
- (4) The Resolution 8 in item 9, if passed, will empower the Directors, from the date of the AGM until the conclusion of the next annual general meeting of the Company, or the date by which the next annual general meeting of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to allot and issue Shares pursuant to the vesting of awards under the Rex PSP and such other share-based incentive scheme or share plan (including the total number of existing Shares which may be purchased from the market for delivery pursuant to the awards granted) up to a number not exceeding, in total, fifteen per cent (15%) of the total number of issued Shares (excluding treasury shares) on the day preceding that date of the relevant grant.
