About Cambridge Industrial Trust

Cambridge Industrial Trust (“CIT”), publicly listed on the Singapore Exchange Securities Trading Limited since 25 July 2006, is Singapore’s first independent industrial real estate investment trust (“REIT”).

CIT invests in quality income-producing industrial properties and has a diversified portfolio of 51 properties located across Singapore, with a total gross floor area of approximately 8.5 million sq ft and a property value of S\$1.4 billion as at 30 June 2015. They range from logistics, warehousing, light industrial, general industrial, car showroom and workshop to business park properties, which are located close to major transportation hubs and key industrial zones island-wide.

The Manager’s objective is to provide Unitholders with a stable and secure income stream through the successful implementation of the following strategies:

- Acquisition of value-enhancing properties;
- Pro-active asset management;
- Divestment of non-core properties; and
- Prudent capital and risk management.

Cambridge Industrial Trust Management Limited, the Manager of CIT, is indirectly owned by three strategic sponsors, namely, National Australia Bank Group (“NAB”) (56%), Oxley Group (24%) and Mitsui & Co., Ltd (“Mitsui”) (20%):

- NAB, one of Australia’s four largest banks, is an international financial services group that provides a comprehensive and integrated range of financial products and services;
- Oxley Group is an innovative private investment house specialising in real estate and private equity investments across Asia-Pacific; and
- Mitsui is one of the largest corporate conglomerates in Japan and listed on the Tokyo Stock Exchange. It is one of the largest publicly traded companies in the world. Mitsui also developed the Japan Logistics Fund Inc., a publicly listed REIT in Japan dedicated to investing in distribution facilities.
