- (c) no Event of Default or Potential Event of Default has occurred. On 11 June 2020, the Issuer announced that the Office of the Comptroller General of Brazil ("CGU") has published a notice in the Official Gazette ("Notice") to the effect that CGU has initiated an administrative enforcement procedure ("AEP") against the Issuer's subsidiaries, Keppel Offshore & Marine Ltd ("KOM"), Prismatic Services Ltd, Keppel Fels Ltd, Keppel FELS Brasil S.A., and BrasFELS S.A. The Notice has not been served on any of these entities to-date, and does not provide any factual particulars. The Issuer is therefore unable to assess the matter or its impact, if any. The Issuer understands from CGU that the AEP will not affect the ongoing negotiations with the Brazil authorities, and that the CGU is considering suspending the AEP pending these ongoing discussions. The current assessment of the Issuer is that the AEP is not an administrative proceeding which has or could have a material adverse effect on the Issuer or on the Issuer and its subsidiaries taken as a whole;
- (d) save as disclosed in the Issuer's unaudited results for the financial period ended 30 June 2020 announced on 30 July 2020, no material trading or capital loss has been sustained by the Issuer and its subsidiaries (the "Group");
- (e) no circumstances materially affecting the Group have occurred which adversely affect the Notes;
- (f) no contingent liabilities have been incurred by the Issuer during this reporting period except for the following bank guarantee issued:
- | <u>Amount</u> | <u>On behalf of</u> |
|---------------------|--------------------------------|
| 1) SGD 7,963,220.23 | Keppel Infrastructure Holdings |
- No contingent liabilities which have matured or is likely to mature within the succeeding 12 months which will materially affect the Issuer in its ability to repay the Notes;
- (g) there has been no change in any accounting method or methods of valuation of assets or liabilities of the Group other than those prescribed by changes in accounting standard;
- (h) no circumstances have arisen which render adherence to the existing method of valuation of assets or liabilities of the Issuer and/or the Group misleading or inappropriate; and
- (i) no substantial change has taken place in the nature of business of the Issuer and/or the Group since the date of the Trust Deed.

Yours faithfully
