PROPOSED DISTRIBUTION OF SHARES IN THE CAPITAL OF THE COMPANY BY CONTROLLING SHAREHOLDER

1. INTRODUCTION

1.1 The Board of Directors (the "**Board**" or "**Directors**") of Trans-China Automotive Holdings Limited (the "**Company**" and together with its subsidiaries, the "**Group**") refers to its announcement dated 18 October 2022 ("**18 October 2022 Announcement**"), read with the Company's corrigendum dated 16 November 2022 to the 18 October 2022 Announcement (the "**Corrigendum**"), and its announcement dated 12 April 2023 ("**12 April 2023 Announcement**", and together with the 18 October 2022 Announcement and the Corrigendum, the "**Announcements**"), in relation to the Proposed Share Distribution and the Second Tranche Distribution (as defined in the Announcements). Capitalised terms used herein, unless otherwise defined, shall have the meanings ascribed to them in the Announcements.

1.2 The Board wishes to announce that:

(a) further to the Announcements, TCA International Limited ("**TCA International**") has effected the distribution of close to all of the Distribution Shares and the Second Tranche Distribution Shares under the Proposed Share Distribution and the Second Tranche Distribution, as follows:¹

- (i) as at the date of this announcement, approximately 38.22% of the total issued Shares which it had previously held have been distributed to LPs of TCA, L.P. on a pro-rata basis; and
- (ii) approximately 0.11% of the total issued Shares which it currently holds have been designated for distribution to certain remaining LPs of TCA, L.P. on a pro-rata basis as soon as practicable;

and following completion of (ii) above, the Proposed Share Distribution and the Second Tranche Distribution would have been fully completed and TCA International would hold a balance of approximately 19.11% of the issued Shares; and

(b) it understands from TCA International, that TCA International intends to effect a third distribution of approximately 56,300,000 Shares² ("**Third Tranche Distribution Shares**"), representing approximately 9.55% of the total issued Shares, to its LPs on a pro-rata basis, in a similar manner to the Proposed Share Distribution and the Second Tranche Distribution ("**Third Tranche Distribution**").

¹ For the avoidance of doubt, the information in this announcement does not take into account possible changes to the shareholding in the Company of the LPs or actions taken by or on behalf of the LPs in relation to their shareholding in the Company, in connection with or following the Proposed Share Distribution, the Second Tranche Distribution or other similar distributions of Shares by TCA International.

² While the Third Tranche Distribution is calculated based on the distribution of 56,300,000 Shares to the LPs, there may be some discrepancies in the exact number of Shares to be distributed to each of the LPs due to the rounding differences.

The completion of the Proposed Share Distribution, the Second Tranche Distribution and the Third Tranche Distribution will result in TCA International holding a remaining balance of approximately 9.56% Shares, and the Company further understands that TCA International may look to further share distributions in the future on similar basis. Nevertheless, whilst the above reflects TCA International's intention to effect further distributions of Shares it holds, it is noted that there is no certainty that all or any of such distributions will be completed, whether in full or in part.

2. RATIONALE FOR THE THIRD TRANCHE DISTRIBUTION

2.1 As described in Paragraph 2 of the 18 October 2022 Announcement, TCA, L.P. is a partnership which was founded in 2009 with the investment objective to achieve capital appreciation through investment, owning and operating automobile dealerships in the PRC through TCA International's shareholding interest in the Company. Similar to the rationale for the Proposed Share Distribution and the Second Tranche Distribution, in order to allow the LPs to have direct ownership and control of their investment in the Company, TCA International is undertaking the Third Tranche Distribution to distribute its underlying investment, being the Shares, to its LPs. Further, from the Company's perspective, the Company views the Third Tranche Distribution as potentially advantageous to the Company, given that the Third Tranche Distribution to the LPs would broaden the public shareholder base of the Company and allow for greater trading liquidity, without there being a change in control of the Company as a result of the Third Tranche Distribution.

2.2 TCA, L.P. is managed by its general partner, TCA Management Limited ("**TCA Management**"). TCA Management has been granted the authority to operate, manage and control the affairs of TCA, L.P., including making investment decisions and voting on the securities and interests held by TCA, L.P., including those in TCA International. By virtue of Section 4 of the Securities and Futures Act 2001 of Singapore ("**SFA**"), TCA Management is deemed interested in the shares held by TCA International. Octo Holdings Limited ("**Octo Holdings**") holds more than 20.0% of the voting shares in TCA Management and is accordingly deemed to have an interest in the shares held by TCA Management (through TCA, L.P. and TCA International) by virtue of Section 4 of the SFA.

2.3 As disclosed in the Company's Offer Document dated 1 November 2021 and updated as at the date of this announcement, TCA, L.P. comprises approximately 71 investors (including the general partner, TCA Management) with majority of the common shares held by:

- (i) Octo Holdings, an investment holding company which is wholly owned by Mr. Francis Tjia, holding approximately 39.06% shareholding interest;
- (ii) Mandarin Holdings Ltd., an investment holding company, which is wholly owned by Mr. Billy Woo, the father of Mr. Raymond Woo, the COO (Premium Luxury) of the Group, holding approximately 6.63% shareholding interest; and
- (iii) TCA Investments, a company wholly owned by Servco Pacific Limited which is engaged in the automotive distribution and retail business in North America and elsewhere, holding approximately 5.17% shareholding interest.

As at the date of this announcement, Mr. Michael Cheung, the Executive Director and CFO of the Group, currently holds approximately 0.12% shareholding interest in TCA, L.P. Accordingly, similar to the Proposed Share Distribution and the Second Tranche Distribution, Mr. Michael Cheung is entitled to receive a proportion of the shares to be distributed under the Third Tranche Distribution. Further details of their shareholding interests in the Company following the completion of the Proposed Share Distribution, the Second Tranche Distribution, and the Third Tranche Distribution are set out in Paragraph 4 of this announcement.

The rest of the investors in TCA, L.P. comprise individuals whom each hold no more than 5.0% shareholding interest in TCA, L.P. and are unrelated to any of the shareholders, directors or key management of the Group.

- 2.4 Based on the Third Tranche Distribution of the Third Tranche Distribution Shares, it is not expected that any of the LPs would hold more than 5.0%³ of the Shares solely as a result of the Third Tranche Distribution.
- 2.5 Given that the Third Tranche Distribution involves a corporate action that will be undertaken by the shareholders of the Company, the Company is not required to seek shareholders' approval for the Third Tranche Distribution.

3 ILLUSTRATIVE CHANGES IN THE SHAREHOLDING OF THE ULTIMATE BENEFICIAL CONTROLLING SHAREHOLDER FOLLOWING THE THIRD TRANCHE DISTRIBUTION

- 3.1 As at the date of this announcement, Mr. Francis Tjia is a controlling shareholder of the Company and holds an interest in 358,658,350 Shares, representing approximately 60.83% of the total number of issued Shares, with all of which being a deemed interest. In addition to being the largest controlling shareholder of the Company, Mr. Francis Tjia is also the Executive Chairman and CEO of the Group.
- 3.2 Mr. Francis Tjia holds the entire 100% shareholding interest in Octo Holdings. Accordingly, Mr. Francis Tjia is deemed to have an interest in all the Shares held by Octo Holdings in the Company by virtue of Section 4 of the SFA. As at the date of this announcement, Octo Holdings holds an interest in 358,658,350 Shares, representing approximately 60.83% of the total number of issued Shares, comprising a direct interest in 245,327,459 Shares, representing approximately 41.61% of the total number of issued Shares, and a deemed interest in 113,330,891 Shares, representing approximately 19.22% of the total number of issued Shares. Octo Holdings also holds approximately 39.06% of the shareholding interest in TCA, L.P., which entitles Octo Holdings to receive a proportion of the shares to be distributed under the Third Tranche Distribution.
- 3.3 For illustrative purposes only, based on the shareholding interests of Mr. Francis Tjia as at the date of this announcement, immediately following completion of the Proposed Share Distribution, the Second Tranche Distribution and the Third Tranche Distribution, but not taking into account any other possible changes to his shareholding interests as a result of direct or indirect acquisitions or disposals of Shares by Mr. Francis Tjia or entities controlled by him after the date of this announcement, Mr. Francis Tjia would hold an interest in 323,677,920 Shares, representing approximately 54.90% of the total number of issued Shares, with all of which being a deemed interest.

Accordingly, following completion of the Proposed Share Distribution, the Second Tranche Distribution and the Third Distribution, it is expected that Mr. Francis Tjia will continue to remain as the largest and sole controlling shareholder of the Company, not taking into account any other possible changes to his shareholding interests as a result of direct or indirect acquisitions or disposals of Shares after the date of this announcement.

³ Calculated based on the assumption that none of the LPs holds any other interest in the Company other than the Distribution Shares, Second Tranche Distribution Shares, and Third Tranche Distribution Shares through TCA, L.P.
