PROFIT GUIDANCE

The Board of Directors ("**Board**") of Fuji Offset Plates Manufacturing Ltd (the "**Company**", together with all its subsidiaries, collectively the "**Group**") wishes to issue a profit guidance regarding the financial results of the Group for the half year ended 30 June 2018 ("**1H2018**").

Following a preliminary assessment of the Group's financial results for 1H2018, the Group is expected to report profit after tax for 1H2018 as compared to loss after tax for the previous corresponding period. The profit after tax for 1H2018 was primarily due to one-off gains on disposal of the Group's investment properties in Johor, Malaysia, coupled with higher share of results of an associate (net of tax) as well as higher revenue.

Further details of the Group's results will be made available when the Company releases its unaudited consolidated financial results for 1H2018, which is expected to be on or about 10 August 2018.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take, should consult their stock broker, bank manager, solicitor, accountant or other professional advisors.
