PROFIT GUIDANCE ANNOUNCEMENT – HALF YEAR ENDED 30 SEPTEMBER 2026

The Board of Directors (the "**Board**") of HS Optimus Holdings Limited (the "**Company**", together with its subsidiaries, collectively, the "**Group**") wishes to update shareholders of the Company that the Group is expected to report lower revenue for the half year ended 30 September 2026 ("**HY2027**") mainly due to a decline in export door sales, driven by increased competition from global competitors and ongoing geopolitical tensions, which adversely affected the demand for the Group's door export business. However, the financial impact was partially mitigated by lower administrative expenses, share of results of associate and foreign currency exchange gain.

The Company is in the process of finalising its HY2027 financial results and will provide further details of the Group's performance when it releases the financial results on or before 14 November 2026.

In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
