Update on Unaudited Financial Performance and Financial Situation

The Group has released its unaudited financial statements for the second quarter result ended 30 September 2020 (“2QFY2021”) (“2QFY2021 Announcement”). Shareholders should refer to the 2Q2021 Announcement for further details.

The Group’s revenue declined by 9.3% for 2Q2021 versus corresponding period. The Group has turned around to record profits since 4th quarter 2017, mainly due to its profitable associated company.

The Group’s net assets decreased by S\$1.9 million from 31 March 2020 to 30 September 2020. This is mainly due to the COVID-19 pandemic impact on the Group’s retail operation. Please refer to result announcement for the 2QFY2021 Announcement released on 11 November 2020 for full details.

Update on Future Direction

The COVID-19 pandemic has and will continue to exert a major impact on the Group’s retail operations and prospects for the next financial year. Pandemic induced economic disruptions have resulted in more cautious consumer spending. The Group has undertaken a careful review of its operations in order to align operating costs and strategies with market expectations in the new normal. The Group will also explore ways to diversify into other businesses or markets to provide alternative revenue and income streams while managing costs prudently.

The Company will continue to consider various options to meet the requirements of Rule 1314 of the SGX-ST Listing Manual pursuant to the financial exit criteria and will update its shareholders in due course. The Company will make further announcements to update shareholders of the Company as and when there are any material developments in this matter.
