(Company Registration No. 199300300W)
(Incorporated in Singapore)
(the “**Company**”)

**NON-ISSUANCE OF SUSTAINABILITY REPORT
FOR THE FINANCIAL YEAR ENDED 28 FEBRUARY 2021**

The Board of Directors (“**Board**”) of Jackspeed Corporation Limited (“**Company**”) wishes to announce the non-issuance of the sustainability report under Rule 711A of Listing Manual of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) for the financial year ended 28 February 2021 (“**FY2021**”).

The key rationale for sustainability reporting is to provide stakeholders a holistic view of the impacts and performance of the Company’s business and operations, in the aspects of environment, social and governance. The Company had completed the disposal of its business and business assets (“**Disposal**”) on 3 January 2020.

In view that the Company ceased to have any material business or operations after the Disposal in FY2021, a sustainability report for FY2021 would not be relevant or meaningful.
