- Distributable Income decreased 1.9% year-on-year due mainly to higher borrowing costs

(4) Higher borrowing costs is due mainly to increased borrowings following the acquisition of 255 George Street in May 2024, as well as the refinancing of borrowings during the current period at prevailing interest rates.

(5) Keppel REIT announced on 25 Oct 2022 that it will distribute a total of \$100 million of Anniversary Distribution over a 5-year period. \$20 million will be distributed annually with such distribution to be made semi-annually.
