## PROFIT GUIDANCE FOR FULL YEAR ENDED 31 MARCH 2025

---

The Board of Directors (the “**Board**”) of UnUsUaL Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to issue a profit guidance regarding the financial results for the full year ended 31 March 2025 (“**FY2025**”) based on a preliminary assessment of the Group’s unaudited consolidated financial results for FY2025.

The Group is expected to record a net loss for FY2025 as compared with a net profit for the corresponding year in FY2024. This is mainly attributable to intensifying market competition and the significant rise in operational costs, particularly those related to manpower. The competitive landscape has intensified, leading to challenging market conditions. At the same time, inflationary pressures have led to a substantial increase in professional fees and labour costs, further impacting our cost structure and overall profitability.

The Group is in the process of finalising its unaudited financial results for FY2025. Further details of the Group’s financial results will be disclosed when the Company announces its unaudited financial results for FY2025 on or around 29 May 2025.

**In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.**
