RESPONSE TO SGX'S QUERIES REGARDING ANNUAL REPORT 2017

The Board of Directors of Tiong Seng Holdings Limited (the "Company", together with its subsidiaries, the "Group") refers to the queries raised by the Singapore Exchange Limited ("SGX") on its Annual Report 2017 ("Annual Report"). The Company appends the SGX's queries and its response as follows:

SGX's query:

Please announce and explain material variances between the Company's Full Year Results ("Results Announcement") and Annual Report for FY2017 ("Annual Report") in the Company's Statement of Financial Position and Statement of Cash Flows.

Company's response:

The variances between the Group's Statement of Financial Position and Statement of Cash Flows in the Annual Report compared with the Results Announcement dated 23 February 2018 was due to the accounting treatment applied to the recording of the Group's investment in TSky Development Pte Ltd ("TSky") and its group of companies.

The Group holds 60% of the equity interest in TSky and had consolidated it as a subsidiary company during the Results Announcement. Subsequently, having considered factors beyond equity interests and control of the board of TSky, there are other key matters and activities where joint controls are to be exercised between the Group and the other shareholder. Accordingly, the Group has amended the accounting treatment of TSky Group from one that was consolidated to that of an equity accounting and classified it under "Associates & Joint Venture" in the Annual Report.

The followings are the areas of variances extracted from Results Announcement and the Annual Report:
