PROFIT GUIDANCE

The Board of Directors of Lorenzo International Limited (the “**Group**” or “**Company**”) would like to advise the shareholders that the Group is expected to report a net loss for the six months ended 30 June 2015.

The deterioration in the Group’s results was mainly due to several negative trends converging at the same time including: a further weakening in global demand resulting in poorer export sales; generally weaker consumer demand for furniture in our core market such as Malaysia due to recent Goods and Services Tax implementation plus weakening of the Malaysian currency.

The Directors expect to release the Group’s financial results for the six months ended 30 June 2015 on or around 13 August 2015 where further updates and details of the Group’s performance will be provided.
