

IMPORTANT ANNOUNCEMENT
- LIQUIDITY RISK MANAGEMENT MEASURES
- SLIPPAGE
- AMENDMENT OF TRUST DEED
- INDEX REBALANCING IMPLEMENTATION DATE

We, Lion Global Investors Limited (the “**Manager**”), the manager of the Lion-OCBC Securities China Leaders ETF (the “**Fund**”), wish to announce (i) an update to our liquidity risk management measures; (ii) the introduction of slippage; and (iii) the amendments to be made to the trust deed of the Fund (the “**Trust Deed**”), with effect from 26 June 2026 (“**Effective Date**”), and (iv) a change in rebalancing implementation date of the index, i.e. Hang Seng Stock Connect China 80 Index (the “**Index**”) with effect from 11 September 2026.

(a) Liquidity Risk Management measures

We will be updating and introducing additional liquidity risk management measures aimed at protecting the interests of Unitholders generally, particularly in the event of large redemption orders for the Fund. The intention is to (i) ensure the orderly realisation of the Fund’s underlying assets; (ii) mitigate the risk of forced asset sales at unfavourable prices; (iii) preserve fair and equitable treatment among all Unitholders; and (iv) safeguard the long-term value and stability of the Fund. The updates are as follows:-

- 1) to defer payment of any Units realised before the commencement of any suspension of realisation of Units of the Fund or any Class but for which payment has not been made;
- 2) to limit the total number of Units to which Unitholders may realise to 10% of the total number of Units of the Fund or Class of the Fund then in issue; and
- 3) to substitute the realisation price, which in our opinion, reflects a fairer value for the deposited property attributable to the relevant Class having taken into account the necessity of selling a material proportion of the investments at the time constituting part of the deposited property attributable to the relevant Class, and we may suspend the realisation of such Units in the relevant Class by giving notice to the affected Unitholders within 2 Business Days after the relevant day.

(b) Slippage

Slippages (comprised of price slippage and/or foreign exchange slippage) may be imposed for dealings made through the primary market creations and/or redemptions via the Participating Dealers at our discretion (but not for dealings on the SGX-ST) to ensure that the Fund and Unitholders’ interests generally are protected in the event of dealings in the Fund by any Unitholder(s).

Price slippage, which occurs as a result of market volatility or low liquidity during trade execution and is determined by us at the relevant time of dealing, will be borne by the Fund and will not be charged to the Participating Dealers.

The Fund is subject to foreign exchange slippages. The fees payable by the Participating Dealers are 0.03% for creation applications and 0.05% for redemption applications.

(c) Amendment of Trust Deed

From the Effective Date, the Trust Deed will be amended to reflect the new Liquidity Risk Management measures and Slippage referred to above.

(d) Index rebalancing implementation date

With effect from 11 September 2026, the Index provider, i.e, Hang Seng Indexes Company Limited, will be shifting the rebalancing implementation date of the Index to the second Friday (instead of the first Friday) of March, June, September and December of each year. The rebalanced Index will be implemented after close of trading of the Hong Kong Stock Exchange on the second Friday of the rebalancing month (i.e. March, June, September and December) and will be effective the following Monday or if the following Monday is a public holiday, the next business day.

The Index and its methodology remain the same.

Please be assured that no action needs to be taken on your part and your unitholdings in the Fund remain unaffected by the changes above.

An updated prospectus for the Fund reflecting the above changes will be registered with the Monetary Authority of Singapore on or around the Effective Date. Investors may obtain a copy of the updated prospectus for the Fund, when available, from the Manager's website at www.lionglobalinvestors.com. The Trust Deed will also be amended to reflect the above changes. After the Effective Date, the amended Trust Deed may be inspected at the Manager's business address at 65 Chulia Street, #18-01 OCBC Centre, Singapore 049513.
