**(Resolution 12)**

By Order of the Board

Shirley Tan Sey Liy  
Company Secretary

Singapore, 12 April 2016

**Explanatory Notes:**

- Mr. Yeo Guat Kwang will, upon re-election as a Director of the Company, remain as the member of the Audit Committee, Nominating Committee and Remuneration Committee and will be considered independent pursuant to Rule 704(8) of the Listing Manual of the SGX-ST.  
Mr. Tan Chong Huat will, upon re-election as a Director of the Company, remain as the Chairman of the Remuneration Committee and a member of the Audit Committee and will be considered independent pursuant to Rule 704(8) of the Listing Manual of the SGX-ST.
- Mr. Tan Gim Soo who is over the age of 70 was re-appointed as Director to hold office from the date of the last Annual General Meeting held on 27 April 2015 until this AGM pursuant to Section 153(6) of the Companies Act, Chapter 50. Section 153(6) of the Companies Act, Chapter 50 was repealed when the Companies (Amendment) Act 2014 came into effect on 3 January 2016. As his appointment lapses at this AGM, Mr. Tan Gim Soo will have to be re-appointed to continue in office. Upon his re-appointment at the conclusion of this AGM, going forward, Mr. Tan Gim Soo’s re-appointment will no longer be subject to shareholders’ approval under Section 153(6) of the Act as repealed. Mr. Tan Gim Soo will then be subject to retirement by rotation under the Company’s Constitution. Upon his re-appointment at the conclusion of this AGM, Mr. Tan Gim Soo will remain as the Chairman of the Nominating Committee and a member of the Audit Committee and will be considered independent pursuant to Rule 704(8) of the Listing Manual of the SGX-ST.
- Resolution 9, if passed, will empower the Directors of the Company from the date of this AGM until the date of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such instruments, up to a number not exceeding, in total, fifty per centum (50%) of the total number of issued shares (excluding treasury shares) in the capital of the Company, of which up to twenty per centum (20%) may be issued other than on a *pro rata* basis to existing shareholders of the Company.  
For determining the aggregate number of shares that may be issued, the percentage of issued shares in the capital of the Company will be calculated based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time this Resolution is passed after adjusting for new shares arising from the conversion or exercise of the Instruments or any convertible securities, the exercise of share options or the vesting of share awards outstanding or subsisting at the time when this Resolution is passed and any subsequent consolidation or subdivision of shares.
- Resolution 10 above, if passed, will empower the Directors of the Company from the date of this AGM until the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is the earlier, to repurchase ordinary shares of the Company by way of market purchases or off-market purchases of up to ten per centum (10%) of the total number of issued shares (excluding treasury shares) in the capital of the Company at the Maximum Price as defined in the Appendix. The rationale for, the authority and limitation on, the sources of funds to be used for the purchase or acquisition including the amount of financing and the financial effects of the purchase or acquisition of ordinary shares by the Company pursuant to the Share Purchase Mandate on the audited consolidated financial accounts of the Group for the financial year ended 31 December 2015 are set out in greater detail in the Appendix.
- Resolution 11 above, if passed, will empower the Directors of the Company, from the date of this AGM until the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares in the Company pursuant to the exercise of share options granted or to be granted under the Share Option Scheme provided that the aggregate additional shares to be issued pursuant to the Share Option Scheme do not exceed in total (for the entire duration of the Share Option Scheme) fifteen per centum (15%) of the total number of issued shares (excluding treasury shares) in the capital of the Company from time to time, or such applicable limits so long as the Company remains a subsidiary of SIHL.  
Where the Company is a subsidiary of SIHL,
  - the total number of new shares which may be issued upon exercise of the options granted under the Share Option Scheme and any other share-based incentive scheme (but excluding the Share Award Scheme), must not in aggregate exceed 10% of the total number of issued shares as at the date of adoption of the Share Option Scheme. Options lapsed in accordance with the terms of the Share Option Scheme will not be factored in for the purpose of calculating the 10% limit; however;
  - notwithstanding (a) above, but subject to the abovementioned 15% limit, SIHL may seek the approval of the SIHL shareholders in a general meeting to refresh the 10% limit. However, the total number of Shares which may be issued upon exercise of all options, together with the Share issued and to be issued under other share-based incentive schemes (but excluding the Share Awards Scheme), under the limit as refreshed must not exceed 10% of the Shares in issue as at the date of approval of the refreshing of the limit. Options previously granted under the Share Option Scheme (including those outstanding, cancelled, lapsed in accordance with the Share Option Scheme or exercised options) will not be counted for the purpose of calculating the limit as refreshed;
  - SIHL may seek separate approval by its shareholders in a general meeting for granting options beyond the 10% limit provided the options in excess of the limit are granted only to participants specifically identified by SIHL before such approval is sought; provided always that; and
  - the limit on the number of shares which may be issued upon the exercise of all outstanding options granted, but yet to be exercised under the Share Option Scheme and any other share incentive scheme (excluding the Share Award Scheme), must not exceed 30% of the shares in issue from time to time. No options may be granted under the Share Option Scheme if this will result in the 30% limit being exceeded.
- Resolution 12 above, if passed, will empower the Directors of the Company, from the date of this AGM until the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares in the Company pursuant to the vesting of share awards under the Share Award Scheme provided that the aggregate additional shares to be issued pursuant to the Share Award Scheme do not exceed in total (for the entire duration of the Scheme) fifteen per centum (15%) of the total number of issued shares (excluding treasury shares) in the capital of the Company from time to time.
