IMPLEMENTATION AGREEMENT FOR PROPOSED TRANSFER OF LISTING STATUS ON SGX-ST

The Company refers to its announcement dated 22 January 2020 (the "Earlier Announcement"). Unless otherwise defined herein, all capitalised terms used herein shall have the same meanings as defined in the Earlier Announcement.

1. INTRODUCTION

- 1.1. The Judicial Manager wishes to announce that the Company has entered into an Implementation Agreement (the "**Agreement**") with Singapore Knee, Sports and Orthopaedic Clinic Pte. Ltd. (the "**Transferee**", together with the Company, the "**Parties**") on 8 March 2020. Further information on the Transferee can be found in Paragraph 4 and Schedule 1 of this announcement, and also in the Earlier Announcement.
- 1.2. The Agreement sets out the terms for the proposed transfer of the Company's listing status (the "**Transfer**") on the Mainboard of the Singapore Exchange Securities Trading Limited (the "**SGX-ST**") to the Transferee by way of a scheme of arrangement (the "**Scheme**"). The terms of the Transfer and the Scheme are elaborated further below.
- 1.3. The Company is presently under judicial management and its shares (the "**Shares**") are suspended from trading. One of the Company's intangible assets is its listing status. The Transfer, if successful, seeks to provide some recovery to the shareholders (the "**Shareholders**") and creditors of the Company (the "**Creditors**").

2. PROPOSED TRANSFER OF LISTING STATUS

- 2.1. The Transfer is envisaged to result in the listing and admission of the Transferee to Catalist (the "**Listing**"), the sponsor-supervised board of the SGX-ST. The Company's Shares will, in conjunction with the Transfer and the Listing, be delisted and withdrawn from the Mainboard of the SGX-ST.
- 2.2. The consideration payable by the Transferee to the Company for the Transfer (the "**Consideration**") is S\$3,000,000 and will be satisfied by the issue of new shares in the capital of the Transferee (the "**Consideration Shares**") to the Judicial Manager for, *inter alia*, distribution to Creditors and Shareholders.
- 2.3. Upon completion of the Transfer and, if necessary, the compliance placement of new shares to constitute the requisite public float, the Consideration Shares (together with other shares issued out of the capital of the Transferee) will be listed on Catalist and shall be freely tradable.

3. FURTHER INFORMATION IN RELATION TO THE AGREEMENT AND THE TRANSFER

- 3.1. Parties' Obligations: The Agreement requires each Party to perform various obligations. The Company is principally required to prepare and procure the issuance of the Scheme Documents (as defined below) to Shareholders setting out salient information on the proposed Transfer by way of a Scheme,

and also seek and obtain the approval of the SGX-ST for time extensions to comply with Listing Rules 1304 and 1315 for the resumption of trading. The Transferee is principally required to prepare and issue its information memorandum for the purposes of the Listing (the “**Information Memorandum**”), and procure the submission of a pre-admission notification to the SGX-ST in respect of its intended Listing.

- 3.2. Conditions Precedent: Completion of the Transfer is subject to various conditions precedent, including but not limited to, (i) the approval of the SGX-ST for the Resumption Proposal (as defined below); (ii) the in-principle approval(s) of the SGX-ST for the Transfer and the Listing; (iii) the approvals of the Scheme by Shareholders and Creditors; and (iv) the sanction of the Scheme by the High Court of Singapore. Other key conditions precedent are set out in Schedule 2 of this announcement.
- 3.3. Termination Events: Each of the Parties may by notice in writing to the other Party given at any time on or prior to completion of the Scheme, terminate the Agreement in various agreed circumstances, such as in the event of (i) a material breach of a representation or warranty of the other Party, (ii) where there is failure by or inability of the defaulting Party to perform any of the obligations under the Agreement, (iii) if Shareholders and/or Creditors reject the Scheme, (iv) if the approval of the courts cannot be obtained, or if the Listing cannot be proceeded with for any reason, or (v) if there is any order, decree, ruling, direction or any other action permanently enjoining, restraining or otherwise prohibiting the implementation of the Transfer, the Listing and the Scheme, and in each case if not cured within the applicable grace period (if any). The Agreement will also cease and determine if any of the conditions precedent has not been satisfied (or, where applicable, has not been waived) by the date falling one year from date of the Agreement, or such other date as the Parties may agree in writing (the “**Long-Stop Date**”).
- 3.4. Financial Information on the Transferee Group: Financial information on the Transferee group of companies and entities (the “**Transferee Group**”) would only be made available or disclosed in due course as the information is presently unavailable. The Company is given to understand that the Transferee Group intends to undergo an internal reorganisation and consolidation of financial information, and as such, financial information of the Transferee Group, such as on its book value and net tangible asset value would only be available in due course.
- 3.5. Financial Effects and Benchmarking: The illustrative financial effects of the proposed Transfer, such as benchmarked against the Company’s earnings per share (EPS) and net tangible assets (NTA), the net profits attributable to the proposed Transfer, excess or deficit of proceeds over the book value, and any gain/loss arising from the Transfer, would only be made available or disclosed in due course after financial information of the Transferee Group (after its internal reorganisation) is made available to the Company.
- 3.6. Relative Figures: For the same reasons as set forth in the above sub-sections on “Financial Information on the Transferee Group” and “Financial Effects and Benchmarking”, the relative figures under Rule 1006 of the Listing Manual for the proposed Transfer would only be made available or disclosed in due course after financial information of the Transferee Group (after its internal reorganisation) is made available to the Company.
- 3.7. Rationale: The rationale for the Transfer is that one of the Company’s intangible assets is its listing status and that the Transfer, if successful, seeks to provide some or additional recovery to Shareholders and/or Creditors. If the Company’s assets were liquidated, there will be no residual value available for distribution to the Shareholders after payment to the Creditors. As such, the Scheme offers potentially better returns for Creditors and Shareholders, as compared to a liquidation scenario.

- 3.8. Disclosure of Interests: To the knowledge of the Judicial Manager, none of the Directors or controlling Shareholders has any direct or indirect interest in the proposed Transfer, other than through their respective shareholding interests in the Company (if any).
- 3.9. Service Contracts: To the knowledge of the Judicial Manager, no person is proposed to be appointed as a Director of the Company in connection with the proposed Transfer. Directors to be appointed for the Transferee would be set out in the Information Memorandum prepared by, and to be despatched in due course by, the Transferee.
- 3.10. Documents for Inspection: A copy of the Agreement would be made available for inspection during normal business hours at the office of Deloitte & Touche LLP at 6 Shenton Way, #33-00 OUE Downtown 2, Singapore 068809, for a period of three (3) months from the date of this announcement.
