**RESULTS WARNING FOR THE SECOND QUARTER AND HALF YEAR ENDED 30 JUNE 2016**

---

The Board of Directors (the “**Board**”) of Blumont Group Ltd. (博诺有限公司) (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that the Group is expected to report net losses for the second quarter (“**2Q2016**”) and half year ended 30 June 2016 (“**1H2016**”).

The expected losses in 2Q2016 and 1H2016 primarily arose from the fair value readjustments of the Group’s investments in transferable securities financial assets, attributable to the recent volatility in the financial markets and global economy. As reported in the financial statements of 1Q2016 on 10 May 2016, “The Group’s investment holding segment including quoted equity investment in associate and the portfolio of quoted financial assets, available-for-sale, including the portfolio under the mineral and energy resources ties to the changes in the financial market and global economy with uncertainty and volatility in the investment outlook.”

Further details will be disclosed when the Group announces its 2Q2016 and 1H2016 financial statements, which will be released on or before 14 August 2016. In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company.
