The Trendlines Group Receives Shareholder Communications Excellence Award at the SIAS Investors' Choice Awards 2026

Misgav, Israel - Singapore, 25 October 2026 – The Trendlines Group ("**Trendlines**") is thrilled to announce that it has won a top award at the Securities Investors Association (Singapore) ("**SIAS**") Investors' Choice Awards 2026.

Trendlines was named joint winner for the Shareholder Communications Excellence Award in the Small Cap category.

The SIAS Investors' Choice Awards honours companies, brokerages and journalists in Singapore for outstanding achievements and contributions in areas including investor education, corporate governance, transparency, shareholder communications and sustainability, benefiting the investor community.

The Singapore Shareholder Communications Excellence Award promotes strong investor relations practices, encouraging listed companies to communicate with shareholders regularly, promptly, comprehensively and transparently so that investors can better understand their businesses and make informed decisions.

Reflecting these principles, Trendlines keeps shareholders informed of its financial performance, investment activities and key developments across its portfolio, providing greater visibility into the Group's progress and investment strategy. Looking ahead, the Company remains committed to maintaining high standards of shareholder communication and ensuring investors have the information needed to better understand its business and long-term prospects. Haim Brosh, CEO of Trendlines, said, "Our Management and Board remain dedicated to maintaining high standards of investor engagement. Communicating with our shareholders has always been a key priority. Through full, timely, comprehensive and consistent disclosures and communication, we build trust and strengthen accountability to all our stakeholders – shareholders, portfolio companies, employees and Limited Partners. Open and ongoing dialogue has always been central to our ethos. We are delighted that SIAS has recognised our efforts in this area."
