FIRST SUPPLEMENTARY PROSPECTUS DATED 15 JANUARY 2015

A copy of this First Supplementary Prospectus has been lodged with the Monetary Authority of Singapore (the **"MAS"**) who takes no responsibility for its contents.

This First Supplementary Prospectus is lodged with the MAS on 15 January 2015 pursuant to Section 298 of the Securities and Futures Act, Chapter 289 of Singapore and is supplemental to the prospectus relating to SPDR[®] Straits Times Index ETF (the **"Fund"**) registered by the MAS on 26 September 2014 (the **"Prospectus"**).

Terms used in this First Supplementary Prospectus will have the meaning and construction ascribed to them in the Prospectus. References to **"paragraphs"** are to the paragraphs of the Prospectus. This First Supplementary Prospectus should be read and construed in conjunction and as one document with the Prospectus.

Following the introduction by the Singapore Exchange Securities Trading Limited (the **"SGX-ST"**) of a reduced board lot size for certain securities listed on the SGX-ST (including the Fund) from 1,000 to 100 units with effect from 19 January 2015 (the **"Effective Date"**), this First Supplementary Prospectus sets out the amendments made to the Prospectus to reflect the corresponding reduction in the board lot size for quotation and trading of units in the Fund (**"Units"**) on the SGX-ST, from 1,000 Units to 100 Units with effect from the Effective Date.

The Prospectus will be amended as follows with effect from 19 January 2015:

The first paragraph under the heading **"LISTING ON THE SGX-ST"** in the section titled **"KEY INFORMATION ON SPDR[®] STRAITS TIMES INDEX ETF"** in the Prospectus is deleted in its entirety and replaced with the following new paragraph:

"The Fund is listed on the SGX-ST and was admitted to the Official List of the SGX-ST on 17 April 2002. A listing on the SGX-ST can provide benefits not available to investors in unlisted unit trusts or investment companies. Unlike conventional unit trusts and investment companies which are typically bought and sold only at closing net asset values (which are unknown at the time of dealing), the Fund's Units will be tradable on the SGX-ST throughout the trading day. Units are quoted and traded on the SGX-ST in board lots of 100 Units."
