2. THE PROPOSED GRANT OF THE EK AWARD TO EDNA KO

2.1. EK Award

The Company proposes to grant the EK Award to Edna Ko, subject to the approval by independent Shareholders for the grant of the EK Award, on the following terms:

Number of Shares:	Up to 168,152 Shares ⁽¹⁾
Release and vesting of the Award ⁽²⁾ :	40.0% in 2020 ⁽³⁾ 30.0% in 2021 ⁽⁴⁾ 30.0% in 2022 ⁽⁵⁾

Notes:

- (1) The aggregate number of Shares to be finally awarded to Edna Ko will be based on the achievement of certain predetermined performance conditions as determined by the Committee or otherwise in accordance with the Rules of the Plan.
- (2) The Award Shares will be released to Edna Ko after the vesting period if certain predetermined performance conditions as determined by the Committee are achieved or otherwise in accordance with the Rules of the Plan.
- (3) Within three (3) months after the issuance of the Group's audited financial statements for FY2020.
- (4) Within three (3) months after the issuance of the Group's audited financial statements for FY2021.
- (5) Within three (3) months after the issuance of the Group's audited financial statements for FY2022.

The aggregate number of Shares under the EK Award has been determined after taking into account, among others, Edna Ko's rank, job performance, leadership and management capabilities, contribution to the success and development of the Group and the extent of effort and resourcefulness required to achieve the performance conditions within the performance period.

The Award Shares will be released to Edna Ko after the vesting period if certain predetermined performance conditions as determined by the Committee are achieved or otherwise in accordance with the Rules of the Plan.

Awards granted under the Plan are principally performance-based with performance conditions to be set over a performance period. Performance conditions set are intended to be based on medium-term corporate objectives covering market competitiveness, quality of returns, business growth and productivity growth. Such performance conditions will be set according to the specific roles of each Participant, and may differ from Participant to Participant. Nonetheless, all eligible Participants (including Edna Ko) will be treated equally and all deserving and eligible participants are equally entitled to take part in and benefit from what the Directors believe is a fair and equitable system of remuneration. The performance conditions are stretched targets aimed at sustaining long-term growth. These targets will be tied in with the Company's corporate key performance indicators.

The performance conditions for Edna Ko will be based on, among others:

- (a) the Group's net profits for FY2020; and
- (b) various qualitative non-financial performance conditions.

As soon as reasonably practicable after the end of the relevant performance period, the Committee will review the performance conditions and determine at its discretion whether they have been satisfied and, if so, the extent to which they have been satisfied, and provided that Edna Ko has continued to be in the employment of the Group from the award date up to the end of the relevant performance period, will release to Edna Ko all or part (as determined by the Committee at its discretion in the case where the Committee has determined that there has been partial satisfaction of the performance conditions) of the Award Shares in accordance with the release schedule specified in respect of the EK Award. In the event that the performance conditions are satisfied, Edna Ko will be receiving Award Shares which represent the same number of months of payout as other eligible Participants.

LETTER TO SHAREHOLDERS

In accordance with the Listing Manual and the Rules of the Plan, the proposed grant of the EK Award to Edna Ko is subject to the approval of independent Shareholders at the EGM.

2.2. Rationale for the grant of the EK Award to Edna Ko

Edna Ko is the Executive Chairman and a Controlling Shareholder of the Company. She is in charge of the overall management of the Group and is responsible for the Group's overall business strategy and development. As at the Latest Practicable Date, Edna Ko has a direct interest in 35,105,844 Shares representing approximately 13.77% of the total number of issued Shares (excluding treasury shares) and is deemed to have an interest in 85,750,000 Shares held by Tian San Company (Pte) Limited (in which she holds 36.71% of its issued shares), representing approximately 33.63% of the total number of issued Shares (excluding treasury shares).

The proposed grant of the EK Award is consistent with the Company's objectives to motivate its key employees to achieve and maintain a high level of performance and contribution which is vital to the success of the Company. Although Edna Ko already has a Controlling Interest in the Company, the grant of the EK Award to her will ensure that she is equally entitled, with the other employees who are not Controlling Shareholders, to take part in and benefit from this system of remuneration, thereby enhancing her long term commitment to the Company. Furthermore, as the EK Award may not be released until after the vesting period and the achievement of certain predetermined performance conditions as determined by the Committee or otherwise in accordance with the Rules of the Plan, the rewards to be reaped from the grant of the EK Award would not be immediate. The value of the EK Award would be best realised only when the results and prospects of the Group's long term performance and growth translate directly into higher share price and higher shareholders' wealth.

Edna Ko has more than 35 years of experience in the industry and more than 30 years of service with the Group. Edna Ko and Robert Dompeling, together with the key executives of the Company, have helped expand the business of the Group. Under the leadership and guidance of the Board led by Edna Ko and Robert Dompeling, despite the competitive operating environment and challenging market conditions in the global process industry due to, *inter alia*, the continued volatility in crude oil prices, the Group was able to remain profitable.

In view of the above reasons, the Company proposes to grant to Edna Ko the EK Award of up to 168,152 Shares, subject to the approval by independent Shareholders for the grant of the EK Award.

The aggregate number of Award Shares to be finally awarded to Edna Ko will be based on the achievement of certain predetermined performance conditions as determined by the Committee or otherwise in accordance with the Rules of the Plan. The total number of Shares which may be delivered pursuant to Awards granted under the Plan, when added to the number of Shares issued or issuable in respect of such other Shares issued and/or issuable under such other share-based incentive schemes of the Company, shall not exceed 15.0% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) on the day preceding the relevant award date, which limit is equivalent to 38,244,783 Shares as at the Latest Practicable Date. Additionally, under the Rules of the Plan, (a) the aggregate number of Shares available to eligible Controlling Shareholders and their Associates shall not exceed 25.0% of the Shares available under the Plan, and (b) the aggregate number of Shares available to each Controlling Shareholder or his Associate shall not exceed 10.0% of the Shares available under the Plan. As at the Latest Practicable Date, the total number of issued Shares (excluding treasury shares and subsidiary holdings) was 254,965,226. The maximum number of Shares which may be granted under the EK Award represents approximately 0.07% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) and approximately 0.07% of the maximum number of Shares available under the Plan, based on 254,797,073 issued Shares as at the Latest Practicable Date (excluding the 168,152 Shares which are the subject of the EK Award).

The aggregate number of Award Shares to be awarded under the EK Award and the RD Award does not exceed 25.0% of the Shares available under the Plan. In view of the foregoing, the Company believes that the EK Award is fair and not excessive.

- 2.3. As at the Latest Practicable Date, Awards in respect of an aggregate of up to 23,354,017 Shares (including the Awards granted to Edna Ko and Robert Dompeling) have been granted under the Plan. As at the Latest Practicable Date, Awards in respect of up to 21,250,398 Shares have been granted to Participants who are employees and who are not Controlling Shareholders or their Associates, of which 3,636,626 Shares have been released. The aggregate number of shares to be finally awarded to the Participants will be based on the achievement of certain pre-determined performance conditions as determined by the Committee administering the Plan or otherwise in accordance with the rules of the Plan.

LETTER TO SHAREHOLDERS

Based on 254,965,226 Shares in issue as at the Latest Practicable Date, up to 38,244,783 Shares may be delivered pursuant to Awards granted under the Plan (being 15.0% of the total number of issued Shares (excluding treasury shares) of the Company. Under the rules of the Plan, (a) the aggregate number of Shares available to eligible Controlling Shareholders and their Associates shall not exceed 25.0% of the Shares available under the Plan, and (b) the aggregate number of Shares available to each Controlling Shareholder or his Associate shall not exceed 10.0% of the Shares available under the Plan. Accordingly, Awards in respect of an aggregate of up to 9,561,196 Shares may be granted to eligible Controlling Shareholders and their Associates. Since the adoption of the Plan, save for the Awards granted to Edna Ko and Robert Dompeling, no Awards have been granted to Participants who are Controlling Shareholders or their Associates.

In FY2019, Edna Ko received between S\$750,000 to S\$1,000,000 as remuneration for her services to the Group. 3. THE PROPOSED GRANT OF THE RD AWARD TO ROBERT DOMPELING

3.1. RD Award

The Company proposes to grant the RD Award to Robert Dompeling, subject to the approval by independent Shareholders for the grant of the RD Award, on the following terms:

Number of Shares: Up to 168,152 Shares⁽¹⁾

Release and vesting of the Award⁽²⁾: 40.0% in 2020⁽³⁾
30.0% in 2021⁽⁴⁾
30.0% in 2022⁽⁵⁾

Notes:

- (1) The aggregate number of Shares to be finally awarded to Robert Dompeling will be based on the achievement of certain predetermined performance conditions as determined by the Committee or otherwise in accordance with the Rules of the Plan.
- (2) The Award Shares will be released to Robert Dompeling after the vesting period if certain predetermined performance conditions as determined by the Committee are achieved or otherwise in accordance with the Rules of the Plan.
- (3) Within three (3) months after the issuance of the Group's audited financial statements for FY2020.
- (4) Within three (3) months after the issuance of the Group's audited financial statements for FY2021.
- (5) Within three (3) months after the issuance of the Group's audited financial statements for FY2022.

The aggregate number of Shares under the RD Award has been determined after taking into account, among others, Robert Dompeling's rank, job performance, leadership and management capabilities, contribution to the success and development of the Group and the extent of effort and resourcefulness required to achieve the performance conditions within the performance period.

The Award Shares will be released to Robert Dompeling after the vesting period if certain predetermined performance conditions as determined by the Committee are achieved or otherwise in accordance with the Rules of the Plan.

In the event that the performance conditions are satisfied, Robert Dompeling will be receiving Award Shares which represent the same number of months of payout as other eligible Participants.

In accordance with the Listing Manual and the Rules of the Plan, the proposed grant of the RD Award to Robert Dompeling is subject to the approval of independent Shareholders at the EGM.

3.2. Rationale for the grant of the RD Award to Robert Dompeling

Robert Dompeling is the Group Chief Executive Officer of the Company. He is also the spouse of Edna Ko, the Executive Chairman and a Controlling Shareholder of the Company. As such, he is an Associate of Edna Ko. As at the Latest Practicable Date, Robert Dompeling has a direct interest in 1,325,844 Shares representing approximately 0.52% of the total number of issued Shares (excluding treasury shares).

The proposed grant of the RD Award is consistent with the Company's objectives to motivate its key employees to achieve and maintain a high level of performance and contribution which is vital to the success of the Company. Although Robert Dompeling already has a shareholding interest in the Company, the grant of the RD Award to him will ensure that he is equally entitled, with the other employees, to take part in and benefit from this system of remuneration, thereby enhancing his long term commitment to the Company. Furthermore, as the RD Award may not be released until after the vesting period and the achievement of certain predetermined performance conditions as determined by the Committee or otherwise in accordance with the Rules of the Plan, the rewards to be reaped from the grant of the RD Award would not be immediate. The value of the RD Award would be best realised only when the results and prospects of the Group's long term performance and growth translate directly into higher share price and higher shareholders' wealth.

Robert Dompeling's responsibilities include managing the Group's operational, commercial and financial divisions, as well as shaping its business development and expansion. He has more than 35 years of experience in the industry and more than 12 years of service with the Group. Robert Dompeling brought with him his expertise in oil and chemical terminal services and his network of clients in the industry when he joined the Group in 2007, allowing the Group to broaden its services into the oil and chemical terminal industry. Additionally, Robert Dompeling and Edna Ko, together with the key executives of the Company, have helped expand the business of the Group. Under the leadership and guidance of the Board led by Edna Ko and Robert Dompeling, despite the competitive operating environment and challenging market conditions in the global process industry due to, *inter alia*, the continued volatility in crude oil prices, the Group was able to remain profitable.

The total number of Shares which may be delivered pursuant to Awards granted under the Plan, when added to the number of Shares issued or issuable in respect of such other Shares issued and/or issuable under such other share-based incentive schemes of the Company, shall not exceed 15.0% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) on the day preceding the relevant award date, which limit is equivalent to 38,244,783 Shares as at the Latest Practicable Date. Additionally, under the Rules of the Plan, (a) the aggregate number of Shares available to eligible Controlling Shareholders and their Associates shall not exceed 25.0% of the Shares available under the Plan, and (b) the aggregate number of Shares available to each Controlling Shareholder or his Associate shall not exceed 10.0% of the Shares available under the Plan.
