## **AWARD OF APPROXIMATELY S\$7.125 MILLION CONTRACT BY PUBLIC UTILITIES BOARD FOR PROVISION OF INSTRUMENTATION AND MONITORING WORKS**

---

The Board of Directors ("**Directors**") of Tritech Group Limited (the "**Company**" and together with its subsidiaries, the "**Group**") wishes to announce that its indirect wholly-owned subsidiary, Tritech Engineering & Testing (Singapore) Pte. Ltd. ("**Tritech Engineering**"), had on 22 April 2019, been awarded an approximately S\$7.125 Million contract, "Instrumentation and Monitoring Works for The Deep Tunnel Sewage System (DTSS) Phase 2 Project – Link Sewers (Schedule I)" (the "**Contract**") by the Public Utilities Board ("**PUB**").

The scope of the Contract includes, *inter alia*, the provision of instrumentation and monitoring works for the **DTSS phase 2 Link Sewers (Schedule I)** and other key services as follows (collectively the "**Services**"):-

- procurement of necessary instrumentation, hardware, accessories and software and the supply of labour and services for the installation and removal of monitoring instrumentation, other than in tunnels, audits and shafts;
- the supply of manpower, read-out units, equipment and services as necessary for the collection of monitoring data from instrumentation installed under the Contract or by others at the specified frequencies;
- procurement, installation and maintenance of the system (including all necessary software and hardware) necessary for collection, and transmission of automated monitoring instrumentation data;
- the collection, authentication, compilation and submission of monitoring data, duly interpreted by the Senior Instrumentation Engineer and submitted in a timely manner as specified to the acceptance of the Superintending Officer (the "**S.O.**"); and
- summarizing and the presentation of monitoring data in tables, graphs, contours and specific structure or excavation reports, in combination with relevant construction activity as and when requested by the S.O..

The commencement date for the Services is 03 June 2019 and the completion date is 02 April 2025 (70 months), unless terminated earlier or extended as provided in the Conditions of Contract. The defects liability period is 24 months, from 03 April 2025 to 02 April 2027.

None of the Directors (other than in their respective capacities as a director and/or shareholder of the Company) or substantial shareholders of the Company (in so far as the Directors of the Company are aware) or their respective associates, have any interest, direct or indirect, in the Contract.

The Contract is not expected to have a material impact on the consolidated earnings per share and net tangible assets per share of the Group for the current financial year ending 31 March 2020.

### **BY ORDER OF THE BOARD**
