This was attributed to SYQM which was acquired in October 2017.

Employee Benefits

- (i) Increase in headcounts and salary costs for both segments of primary healthcare and distribution of dental equipment and supplies in line with the revenue;
- (ii) Addition of headcounts with the acquisition of SYQM; and
- (iii) The costs for recruitment and training for undergraduate dentists, nurses and laboratory technicians to support the Group's long term plan for growth.

Depreciation and Amortisation
